As life is lived, bits of memories and remnants of its being are imprinted in each personality and situation it crosses. Our lives have left their impressions on LaPorte High School. The thoughts and ambitions of the students have made this year a unique combination, never to form again in exactly the same way.

Move with us now through the following pages of reflections of LPHS and the people who have made our school the reflection it is, has been, and will be. So study your own reflections, for you are the only stranger you know.

The individual pondering her worth is a reflection in your own mirror of life. What does life have for me? Who am I?

The clarity of an image still remains and grows even as freshly fallen rain attempts to suppress it.

Lengthening shadows depict many reflections of a day of work, a day of thought, and a day of dreams. These are reflections of daily life.

. . . We see reflected
not only our own lives
but the lives of all men that have been!

Oliver Wendell Holmes

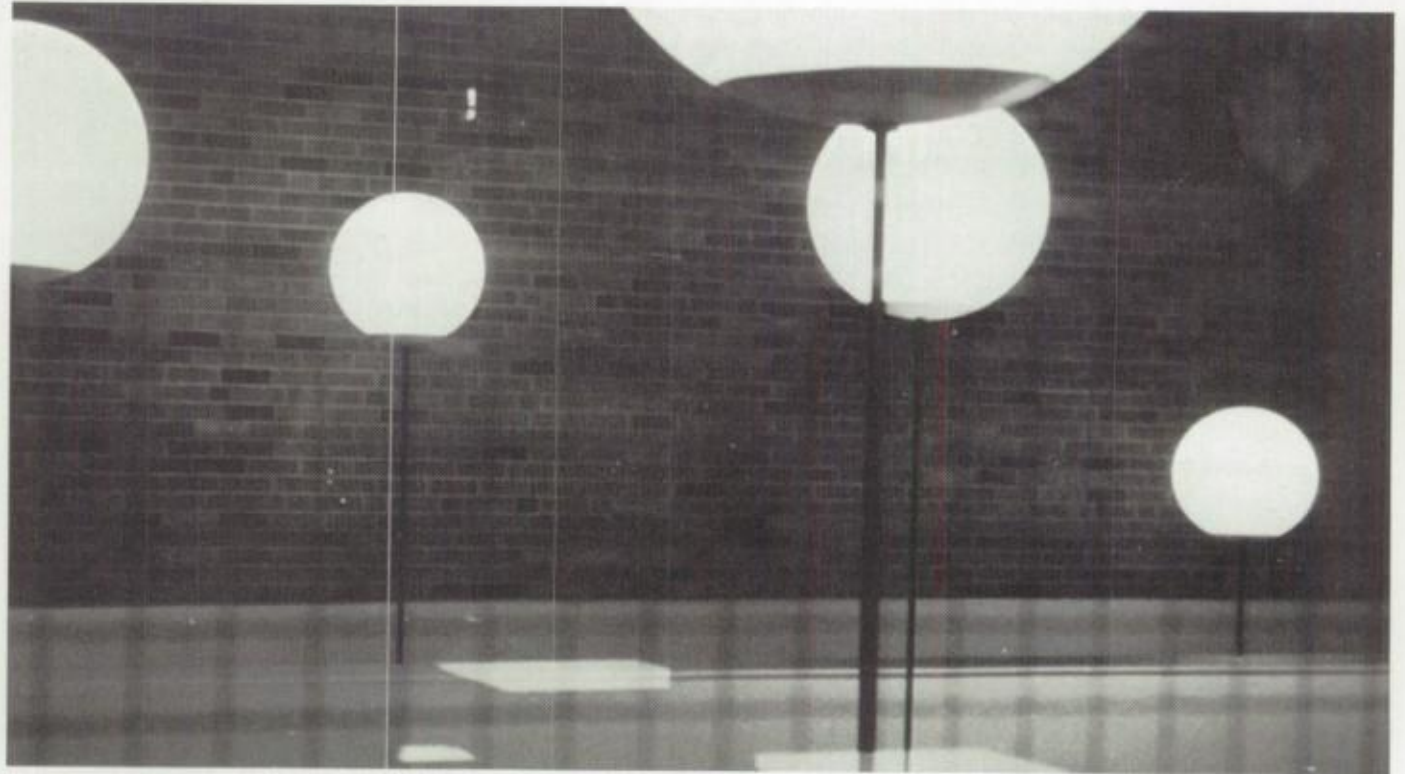

The reflective spirit is in all things

All existence is a reflection of itself. Sometimes the line between reality and the unreal is thin.

LPHS is the students' reflection. We give our school the image it projects, but at the same time, the school is a reality.

A pattern of glowing lights are symbolic of the reflective spirit.

The complexity of a modern day machine is simplified in its image. The unliving has the reflective spirit just as the living do.

The tree, very much alive and very tranquil in its existence, lives as a reflection of the plantlife society. The tree watches over our reflections as they come and go and remains to welcome future students to LPHS.

Nature possesses a unique reflection of its own. An image of the peaceful life, unrecognized in the modern complex existence, is evident as the stillness envelopes a late summer shower.

Even a gloomy, rainy day shines with the reflective spirit as the minute details of nature's treelife blends into the background to become a part of the image of nature.

Around our school, the reflections of the students can be seen everyday. A dark corridor with two lone students, and a reflection develops. Where are they going? Do you recognize yourself in this reflection of LPHS life?

In a lonely deserted classroom, after hours at LaPorte High School, a solitary student ponders over a problem. The problem may not matter to anyone else, but at this moment, it is an obstacle for her to surmount before moving on to another. She is any student, no one in particular, but there is a part of us all reflected in her. Her thoughts can be the thoughts we all have in common. Do you see yourself in this reflection?

Memories will probably plague LaPorte High School graduates of this school. The old Lincoln School as it appeared in 1919 and still stands today, although in less fortunate condition, was the original big school

for LaPorte High School students. A monument to the old life and the good old days, the building represents many precious, past reflections.

Years pass and times change, or do they?

A huge club for LaPorte girls, the Girl Reserves has a rich, long past that is also proud. These girls were members of LPHS 1926 GR and can help us appreciate the heritage the club has today.

The sports in our school are as old and traditional as our school. Here, the 1919 boys' basketball team may look different but still represent a reflection of today's sports.

Customs may change through a century of years. The 1929 senior girls' basketball team was unique in its time and is a reflective memory.

A century of LPHS is reflected

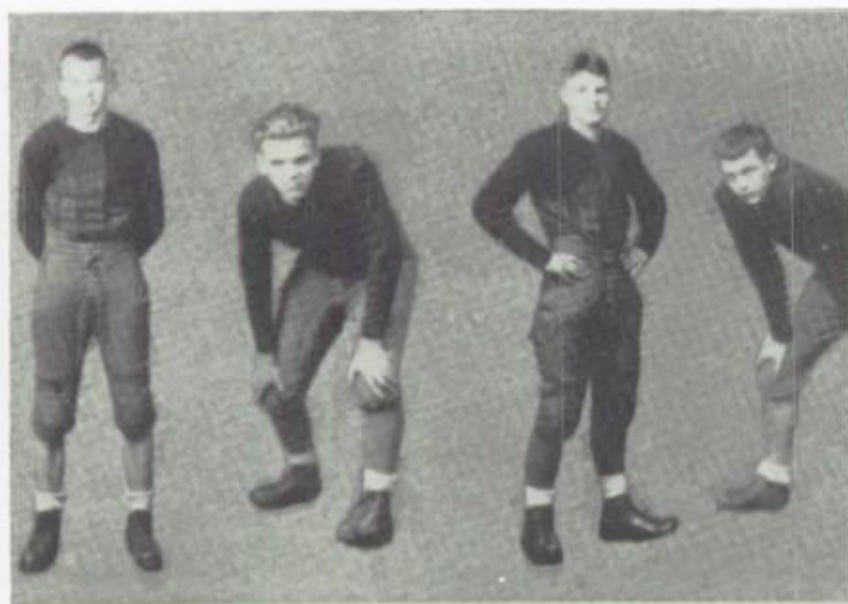

Many dances have been held at our high school in the past one-hundred years and many students have attended them. This scene is

a typical dance at LaPorte High School in 1958. These past students are our reflections.

We, of LaPorte High School, are commemorating one-hundred years of graduating seniors. Through the past century, since 1869, our school has turned out many a student to take his place in society. This year marks the end of an era in LPHS history.

Many questions can be raised as we look back over the reflections of past years. Will the next century of graduates be as memorable as the last? Or as worthwhile to remember? No one can really tell. All we can do is look toward the future with high hopes and confidence.

In the long life of LPHS we have had the distinction of having an outstanding football team. Many teams have come and gone, but each year has tried to out do the last. The 1931 team was no exception.

The great LPHS basketball players have come and gone in the long sports history of our school. They can be remembered by today's students as a past reflection to be proud of.

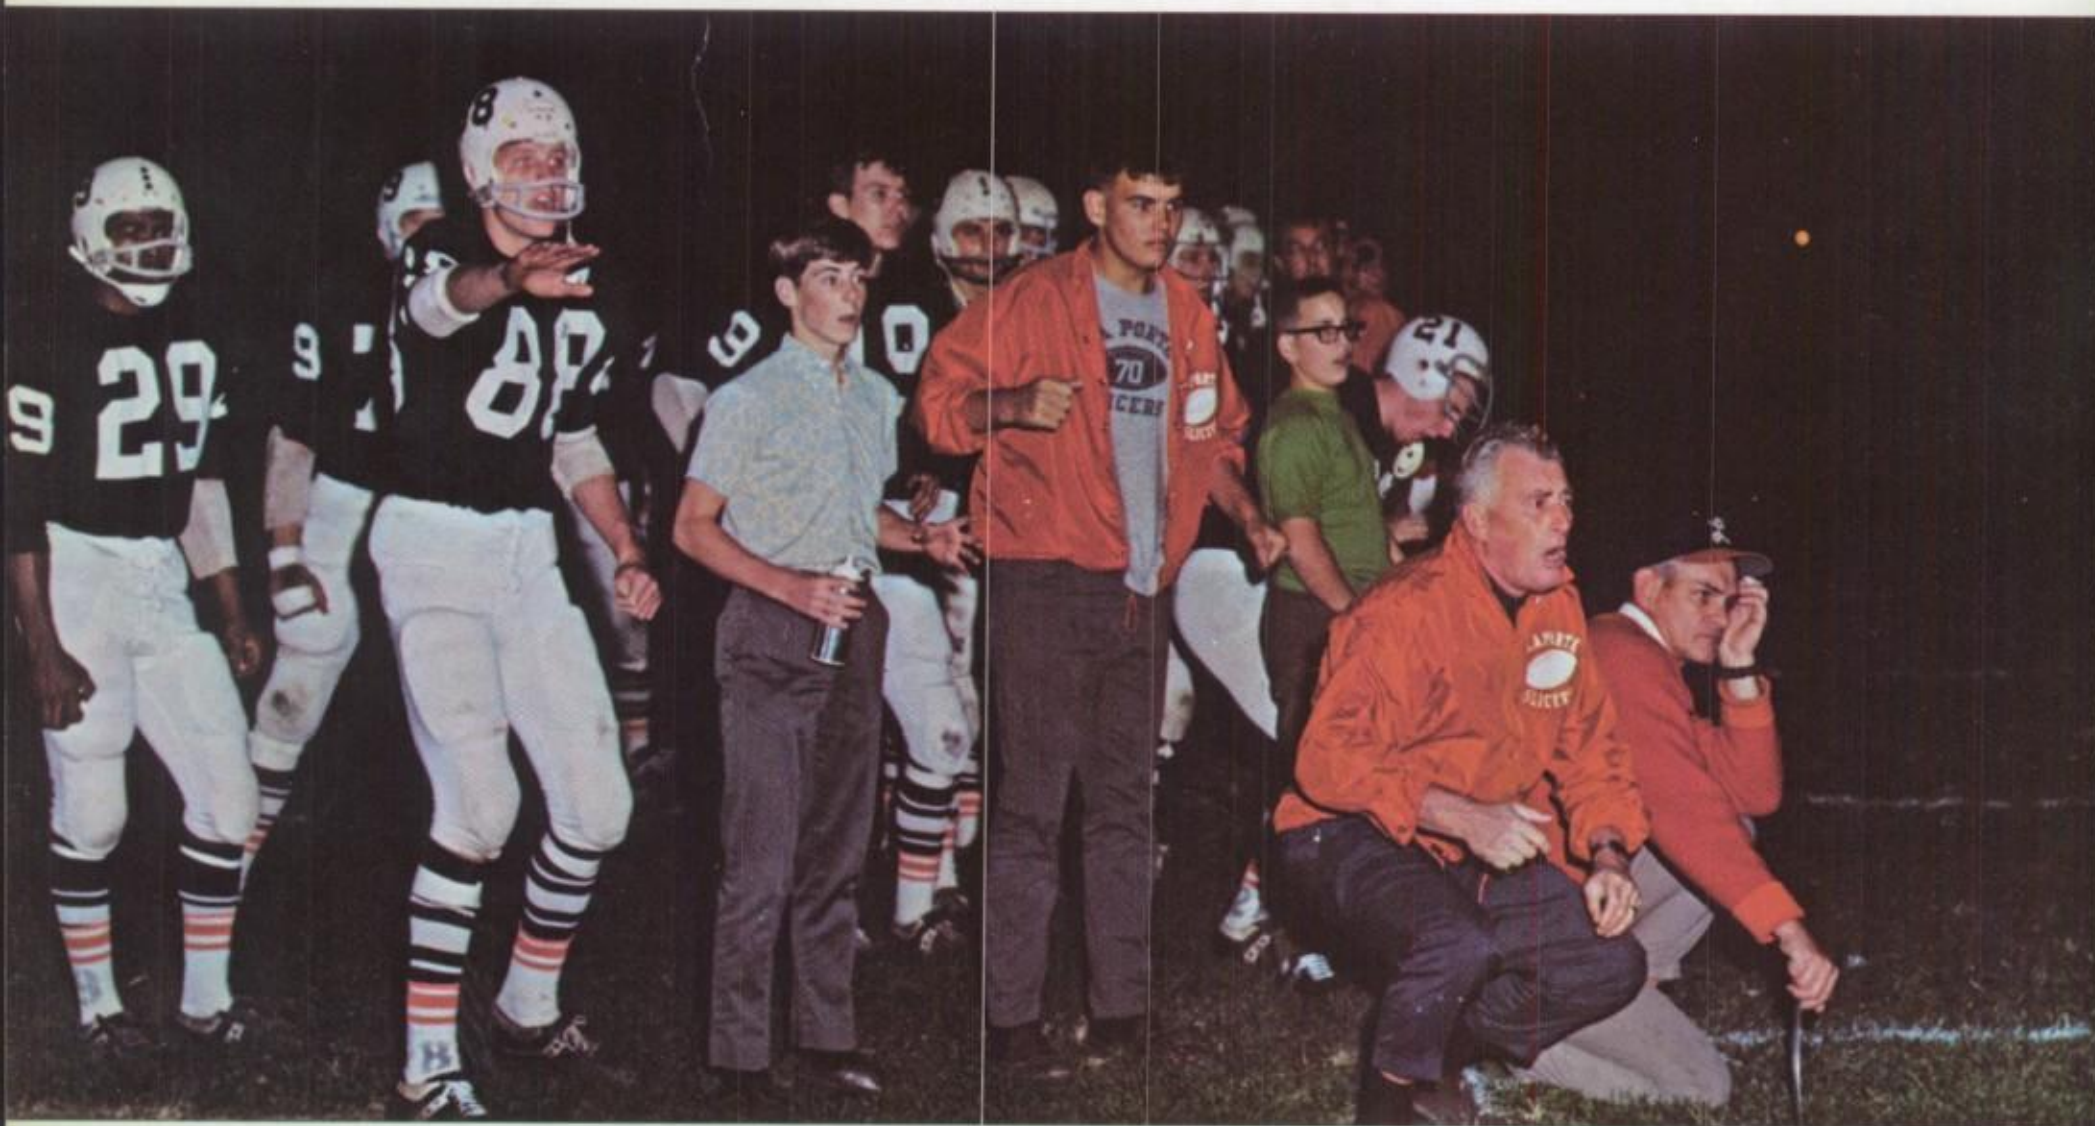

The passing years may change outer appearances, but these girls, Louise and Clarabelle of LPHS, 1927, are still teenagers growing up in a world of adult reflections. Their inner feelings are past reflections of today's teenagers.

These LaPorte High School cheerleaders of 1948 may look strange to a modern student, but a closer look discloses that they are only different in appearances, not in their inner feelings. These LPHS students represent our heritage.

LPHS Homecoming '68 passes

What is any homecoming without the excitement of the big game? The mass confusion of the heads, the

shoulders, the arms, and the legs, all battling for one common goal. Score for the school, our school!

Homecoming '68 was LPHS spirit magnetized.

It was crowds of fans and a fighting team.

It was popcorn and pop and Pepper club shouts.

It was screams of joy and sighs of anticipation.

It was Stan Klimczak, his men and Guy Foreman's marching band.

Homecoming was, as usual, a memorable night.

Behind any spirited team there is thought. But what is behind the plans for the next move? There is a personal side to each individual and his thoughts are important.

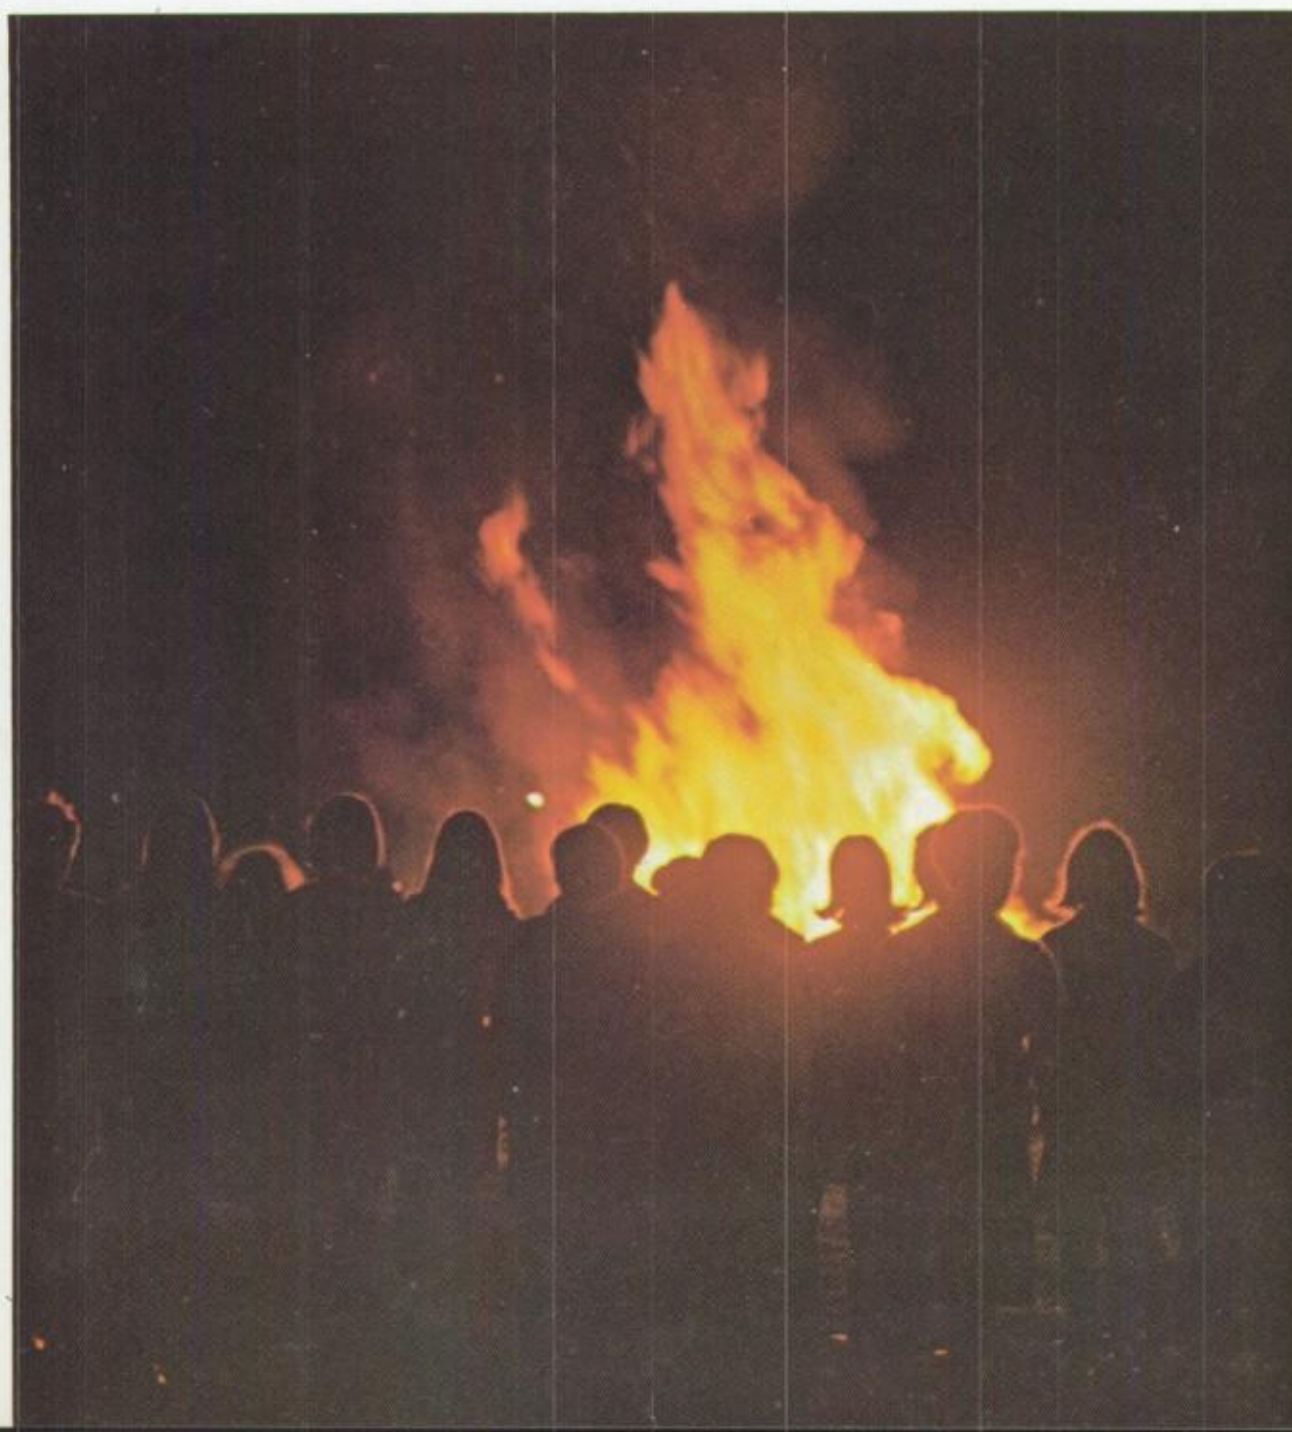

Colorful would certainly describe the floats, the parades, and the happenings of Homecoming.

Having the best float is an honor for any LPHS organization and justifies their hard work.

The cheers, the shouts, the cries, the excitement of homecoming is shared by all.

leaving memorable reflections

To be there was enough for anyone, but behind the excitement and festivities are individuals. Students with thoughts, with loves, and with individual dreams are reflected in quieter moments. Those times when a person can ponder his worth and his own self are the most revealing and precious of all. These moments of contemplation show up in little ways. Remember Homecoming '67? Time passes and dreams are fulfilled or forgotten.

Quiet and nostalgic, the mood at the bonfire reflects the inner spirit of youthful minds.

Homecoming events were highlighted by the crowning of Queen Kathy Masterson and Court, Darlene Davis and Pat Lashinis.

Dramatics is a chance for people to try to be someone else. No longer are the actors a part of the everyday life. Now they are one member of a strange and very different household; perhaps a perfect English butler, or perhaps even a convicted and now released murderer. The plays give the actors a chance for escape and also they provide release for all who see the performance and really look.

Centennial Banquet

The Jr.-Sr. Banquet was presented by the seniors. The theme of "Centennial Cavalcade" paid special tribute to the 100th graduating class. The four major periods, 1869, 1889, 1920, and 1969, were represented in various skits depicting the history of change and progress in LPHS. As the evening drew to a close, the beard contest winner and the El Pe Queen were announced.

Brooks Hill was chosen the champion "beard grower" by the senior counselors. Other winners were Rich Dugger and Stan Trim.

With "graceful" teamwork and enthusiastic cheering, the senior boys presented their version of the pom-pom girls at a game.

Fresh tulips arranged around the pool added a touch of reality to the fantasy of the evening.

Colorful butterflies floated high above the Land of Oz.

These Juniors are busy painting the spires of the Emerald City, which set the scene for this year's prom, Oz, Land of Enchantment.

Careful re-creation of the Tin Man added great authenticity.

The majestic splendor of the emerald is reflected by the lights twinkling over the homeland of the Wizard.

A.A.U.W. honors senior girls

Senior girls, dressed in their spring finery, enjoyed refreshments around beautifully decorated tables.

Members of A.A.U.W. and their guests all shared in an enjoyable afternoon of refreshments and conversation.

The American Association of University Women again hosted the Senior Tea at the Elks Country Club. This year special tribute was given to the 100th graduating class with the appearance of several of the A.A.U.W. women in dresses from the 1800's. Music was provided by Paula Church, Marty Harmon, and Dave Johnson. The highlight of the afternoon was a speech by Mrs. Sadock.

Each senior girl was welcomed by women of the A.A.U.W. and their guest speaker for the afternoon, Mrs. Verna Sadock.

100th class receives diplomas

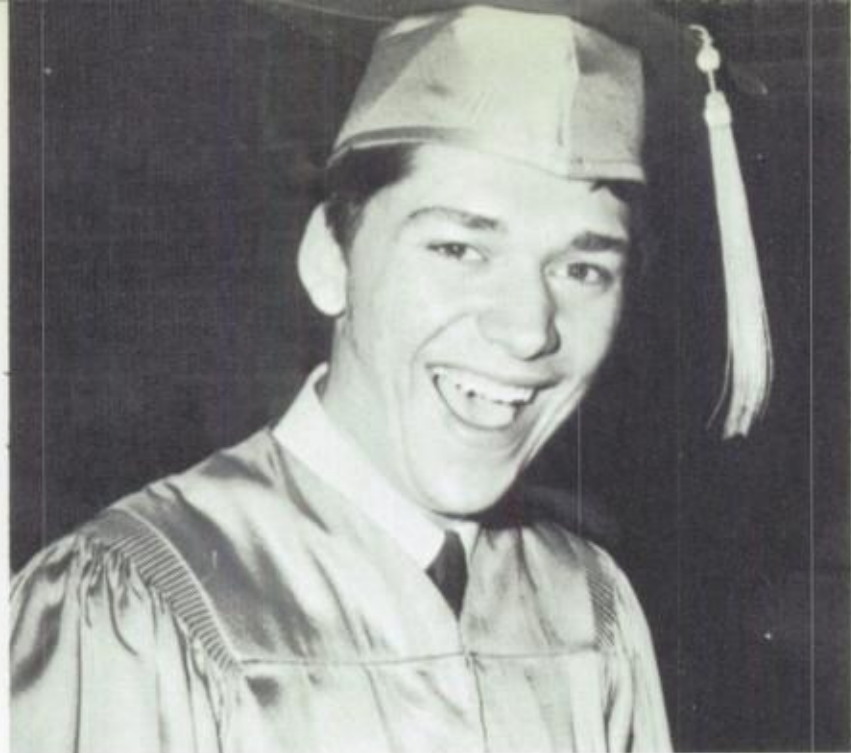

Dr. Dean Berkeley from Indiana University told grads about the three R's—reality, rent and romance.

As dusk silently falls, another graduate receives her diploma.

These faces reflect both the joy and seriousness of graduation.

Some of the graduates were estatic, glad to finish at last.

Some were solemn, thinking of what the future holds for them.

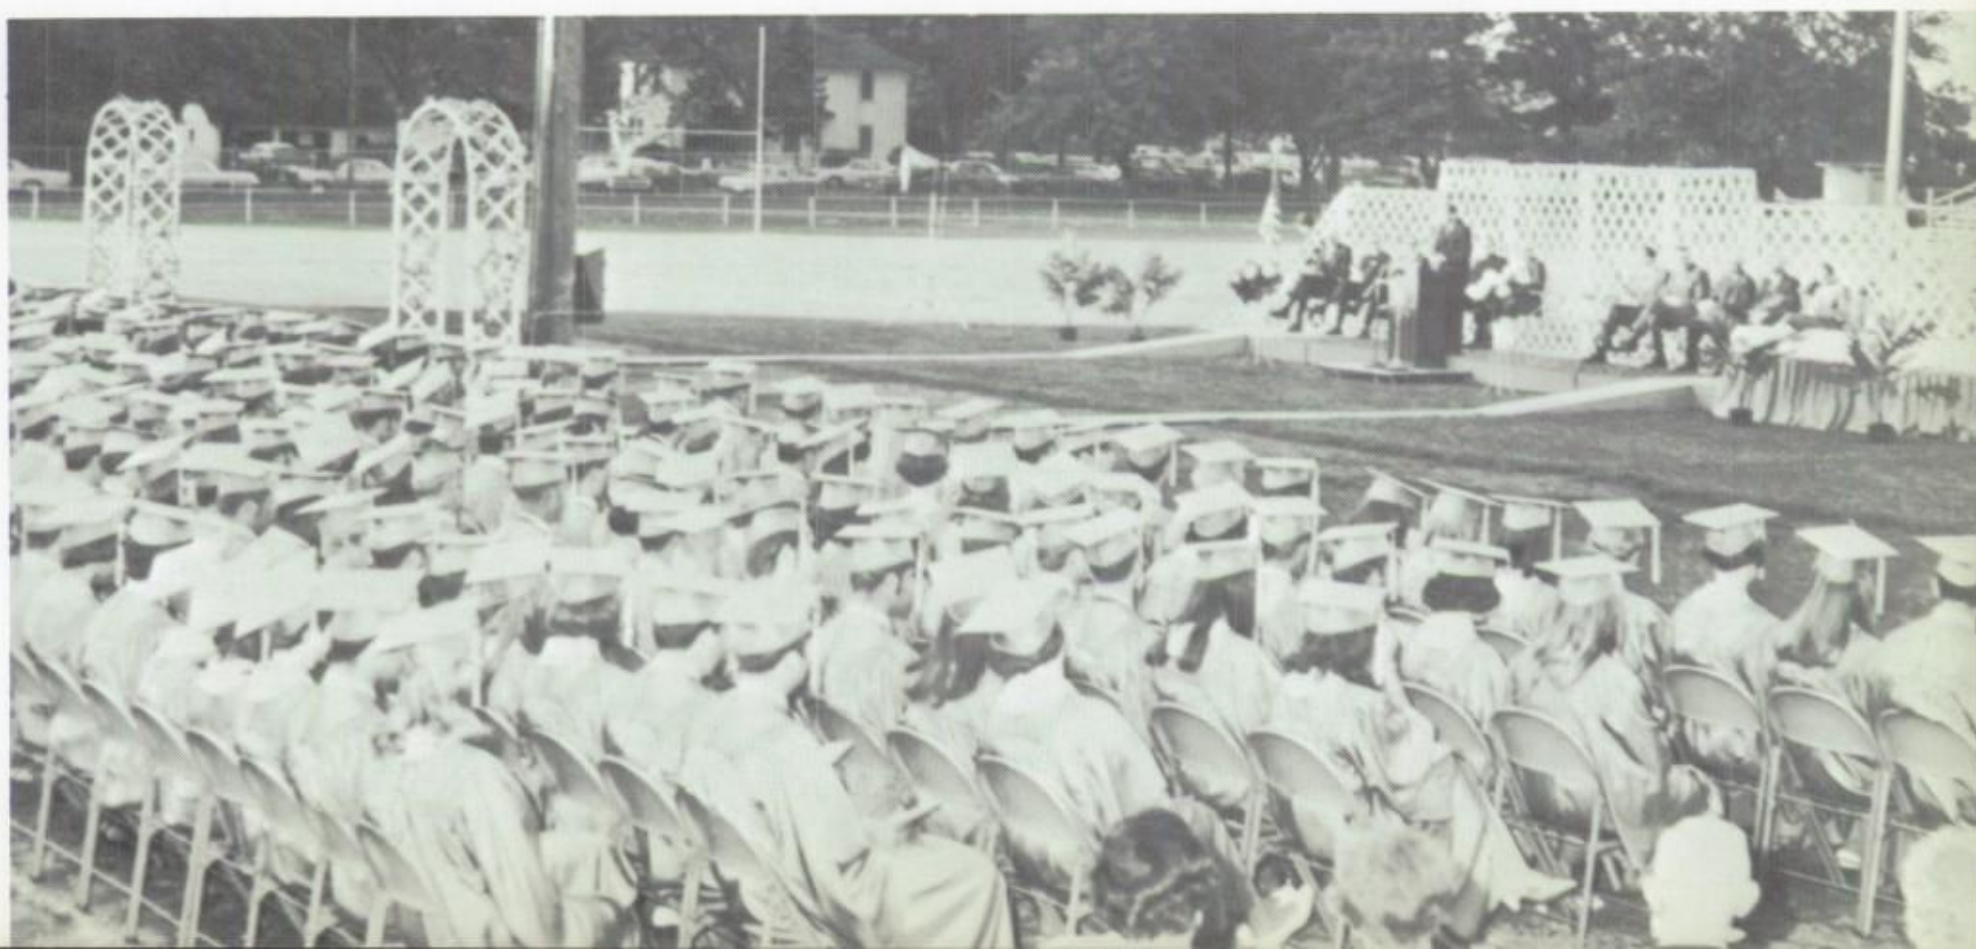

Some were bewildered, not understanding the complex procedure.

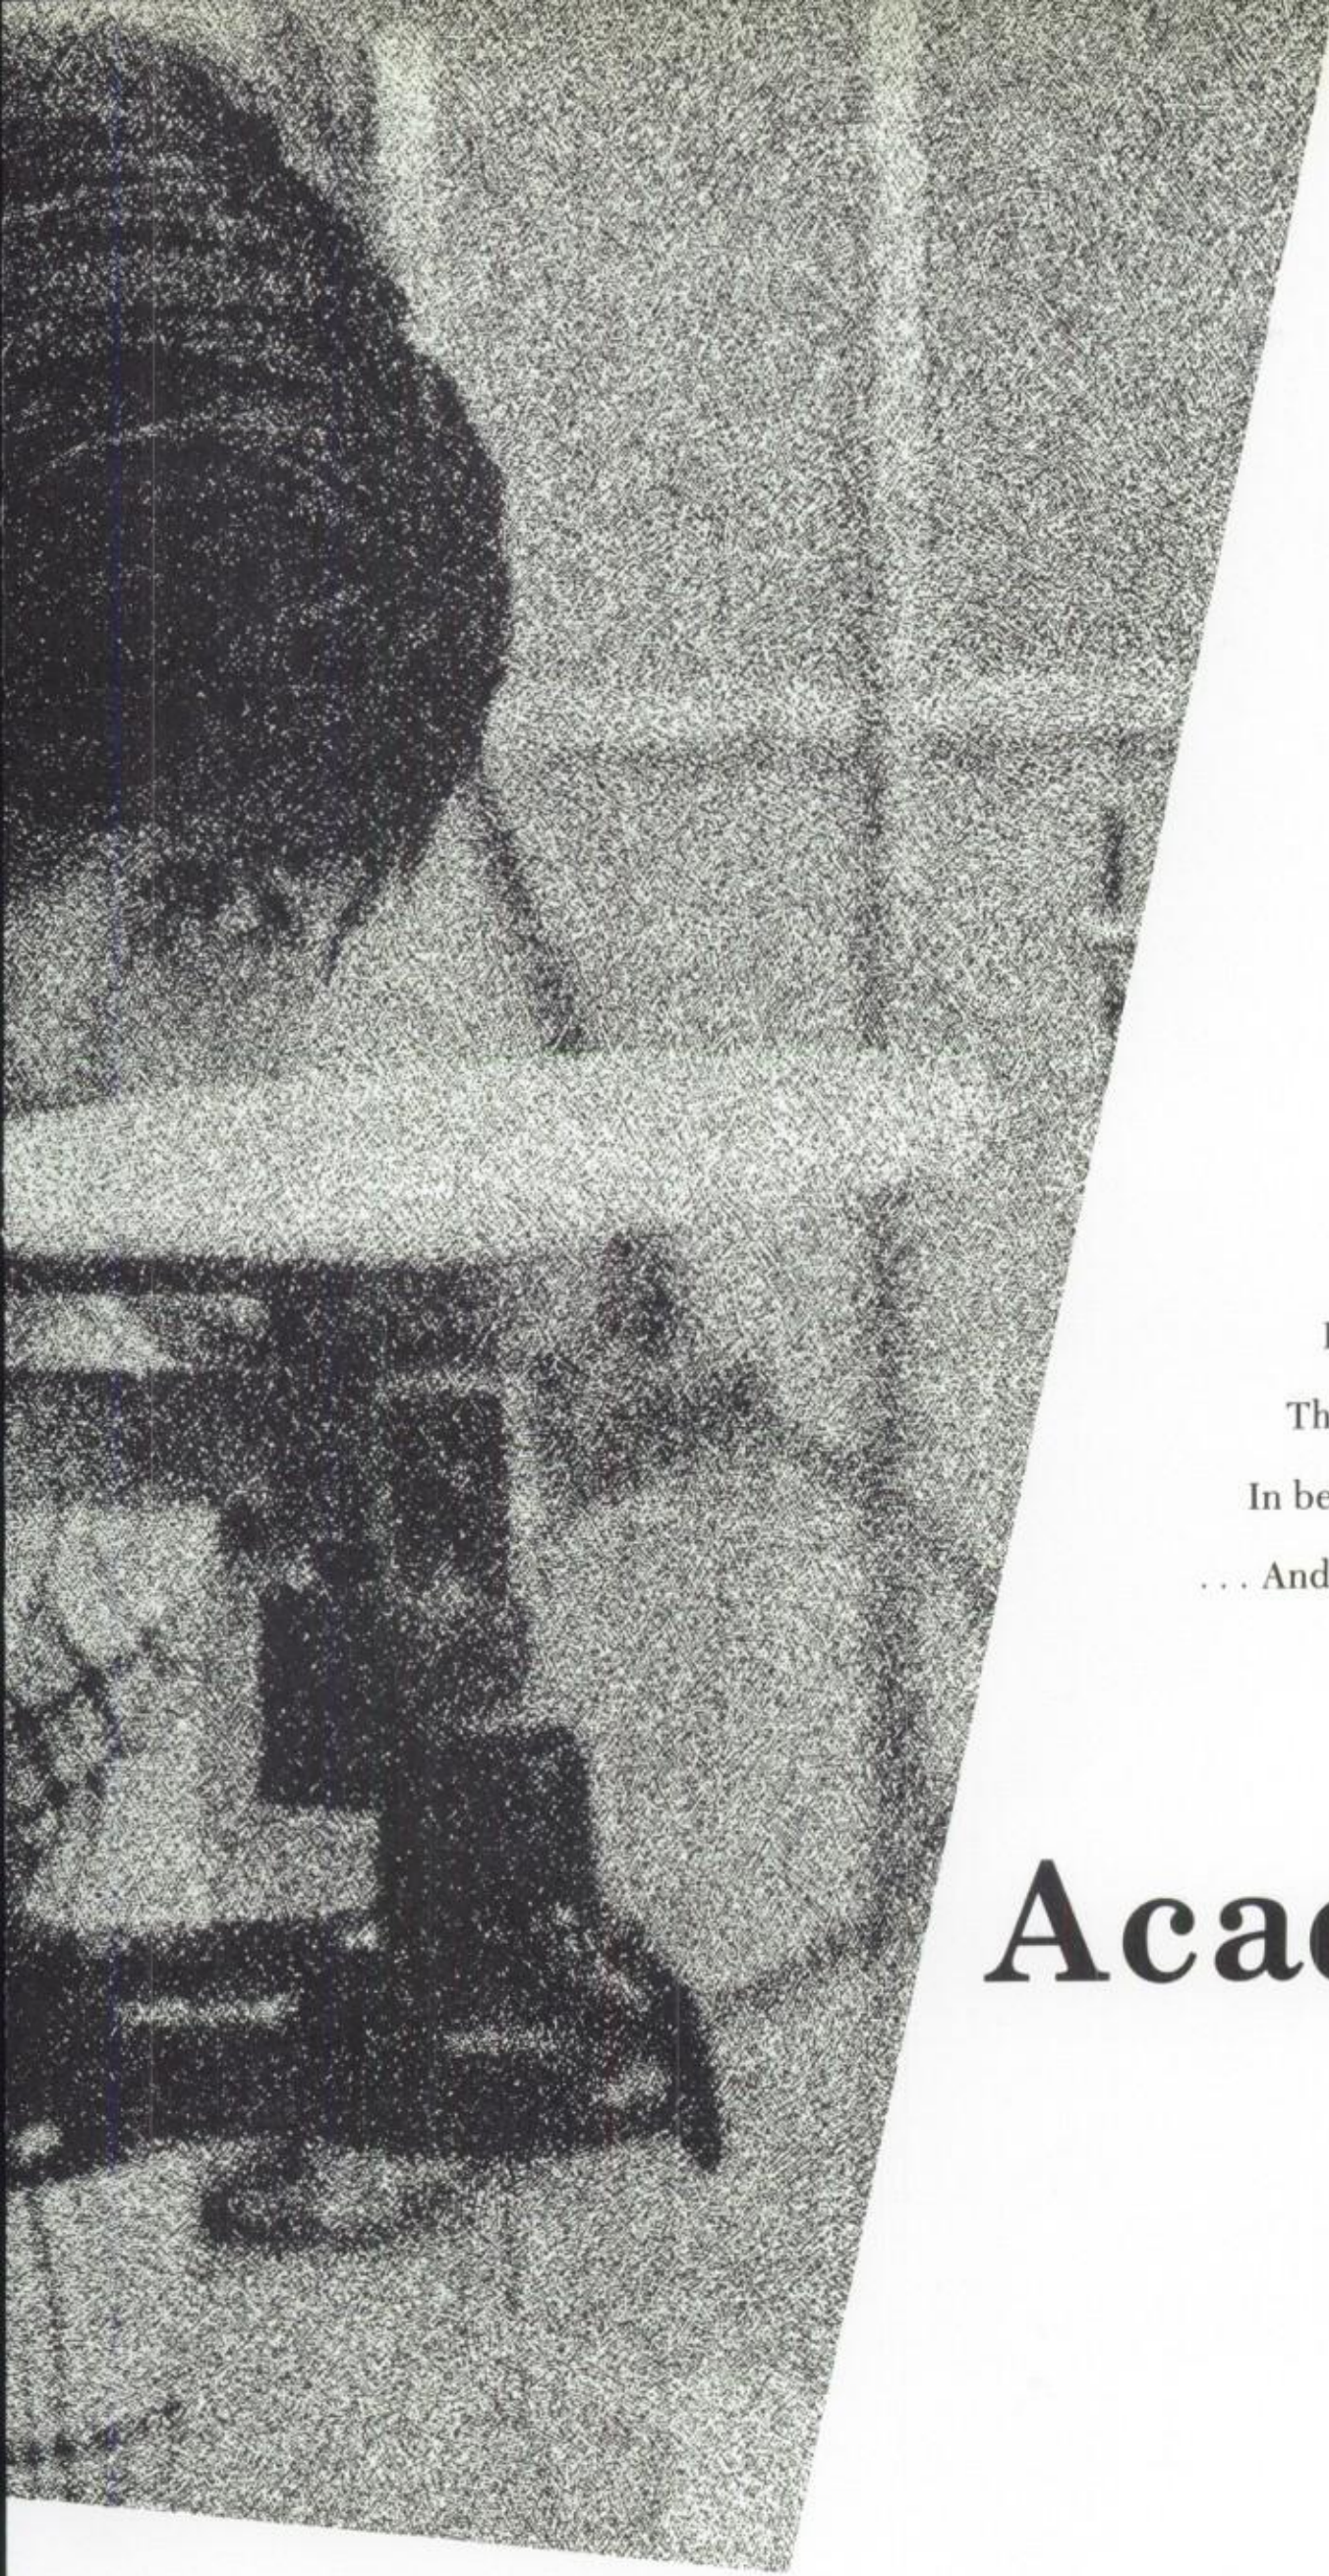

Some were unconcerned, only tired from the week's festivities.

The 534 members of the Centennial Class of 1969 graduated in style with special gold tassels to complete the traditional cap and gown.

It begins as a jigsaw puzzle
The first pieces are blue boarders—
In between lie the parts nobody wants
... And suddenly they all fit into life.

Finally, our office and library help are absolutely necessary to carry out the administrative business of La Porte High School.

The written word Brings understanding

The English Department encompasses a wide range of interests and subject matter. Once the requirements are met, there are a number of electives from which to choose. Advanced public speaking and reading are two very popular courses. Journalism too is appealing because students have a chance to work on our newspaper.

An honors English course for seniors is also offered. This course, which is for selected students, gives an in-depth study of the world of literature.

Sophomore speech classes give students invaluable aid in learning how to communicate with words.

Math is a constant Search for answers

Mathematics is the exploration of the world of numbers and spaces. It involves a constant flow of questions—how many? how large? how fast? what are the chances? Sometimes math seems to possess a bit of magic—after hours of struggling, the numbers seem to work at our command, and the answer suddenly appears on the page.

Math is a challenging and fascinating subject. The variety of courses offered at LPHS encourages students to take part in this ever-growing science.

Finding one truth leads to the solution of the problem.

The slide rule is a fast, easy way of figuring difficult problems.

Science is . . .

Chemicals, bunsen burners, formulas, and beakers

Crops, animals, fertilizers, conservation, and soil

Science is this and much more. It involves questioning, searching, experimenting, and trial and error. Scientific research requires a great desire to learn and a limitless supply of patience. Exactness is the key to success. Our lecture room, greenhouse, and modern labs help make this work appeal to more students each year.

Commercial courses provide an opportunity to learn many secretarial skills. These courses lay a foundation for future vocations.

Shorthand, typing, and bookkeeping provide a basis for future study which will eventually lead to a profitable job. The hours spent taking timed tests and drills pay off in the end. Beginning typing courses are offered for those who want to learn how to type simply for themselves. Typing a term paper can be made much easier if there is some fundamental training. Shorthand, too, can prove to be invaluable to the average student taking lecture notes at college. One never forgets these skills once they have been learned, thus providing a certain security.

Crescendo, allegro, fortissimo, and staccato are words that have distinct meanings for each music student. The numerous choirs in LPHS give music lovers a chance to utilize their vocal talents. As polling draws to a close nothing remains but nervous anticipation of the tally . . . News breaks that the "Fourcast" is in . . . Mark Johnson begins his work with the aid of George Avery as Jan Philbrook records the actions and Cindy Goad the financial status of the class . . . Days that lie ahead may not be entirely golden, the purest sky becomes overcast and rain falls . . . storms diminish and sunlight will filter from the heaviest cover, leaping into pools left behind . . . puddles become mirrors and in passing them this class will see, will remember . . . A short glimmer, as a ray tumbles over the waters' surface . . . a glimpse of something when they were Juniors . . . a short moment to recall . . . Budded trees, spring air, a short climb to the ladder of success . . . reflections of experiences lost.

During the basketball sectionals, the sophomores of the Pepper Club reflected the fine Slicer spirit by backing our players all the way.

Think about it. Reflect on it. We're in school 35 hours a week. Each week offers 148 hours; 10,080 minutes . . . reflections from the outside world.

Finding the part of you that's alive.

Day after day, hour after hour, we go to classes, they teach our minds. Some of us are fortunate enough to have an extra hour in which we can teach our bodies to function in quicker, more co-ordinated (?) ways.

Sophomore wrestler Jim Wade shows what brute strength and desire can do. The 1969 wrestling team had both power and desire and as a result, won many matches. Wrestling is becoming a popular sport at LPHS and will probably continue to draw increasing numbers of spectators.

While preparing for the G.R. Formal, many sophomores offered their help and their original ideas. All worked together to create the fireside fantasy mood.

The expressions on the faces of these few sophomores reflect only a few of the many thoughts, feelings, and moods shared by all students.

But harder than seeing others;

Students find a creative outlet for their energies through art.

ACTIVITIES

Student Council officers for 1968-69 were N. Chalik, Treasurer; P. Jankoviak, Vice President; T. Bernacchi, President; and K. Masterson, Secretary.

Student Council- A voice Of the student body

Student Council officers are elected in the spring of each year while the representatives campaign the following fall. For one week in September the halls are covered with posters, signs, and slogans urging the students to, "Get ahead with ____!", "Go with ____!", and sometimes just "Vote ____." The week of campaigning is kicked off by speeches and ended with a

student body vote. Each of the senior and junior classes elect six representatives. In addition, four members of the Council are chosen by the sophomore class. Ideally, the representatives are chosen for qualities of character, initiative and leadership.

The purpose of the Student Council is to provide a voice for the students, a means of bridging the gap between the administration and student body. Members serve at various functions during the year and sponsor different projects such as a new-student reception, P.T.A. programs, homecoming, and a Computer Dance in the spring of 1969.

Senior representatives are a tradition of LaPorte High School. Selected members of the Senior Class become, for a time, honorary members of various local clubs. They attend the meetings and enjoy guest speakers, programs and the chance to meet new people. Senior Representatives gives seniors an opportunity to view this part of community life first hand.

Tri-M stands for Modern Music Masters. It is an honorary music society open to students in band, orchestra and choirs by invitation. Members are chosen on the basis of ability, musical scholarship, leadership and service to the Music Department.

Members of B.S.C. must have a respectable scholastic average and must be interviewed by a panel of old members. Service is their primary aim. It is an honor as well as a challenge to be a member.

Reflections of the unseen but vital preparations backstage

A back stage happening is a crowded mirror, such as this one, as the students hustle to make a 7:45 cast call.

G. Gring adds the professional touch to Conjur Woman, E. McGhee.

Even a Conjur Man's hair must be well kept, free from tangles.

The gamut of emotions, fear, confusion, pain, exhaustion, nervousness, meditation, anxiety, hope, and eventual relief are all reflected on the performers' faces before that first frightful moment when they take their place on stage.

"There's a production meeting in the make-up room in five minutes." Twenty minutes until curtain and half a million unaccomplished tasks to be finished. Make-ups are hurried for completion by a crew that must disguise fidgety males who aren't accustomed to Max Factor and grease paint. Stage managers and crew frantically set the opening; lists in each one's hands dictate his moves. Sound is checking the undependable headphones as lights check their dimmers once more. Costumes and props place their articles in sequence readying their tables. The sets were finished an hour ago; now the actors must do the rest. They'll receive the acclaim, applause, and the tingling inside like carbonated blood when the audience acknowledges them from that dark acoustical cave "out front". The crews will wait for a response, a share belongs to them. They know every crack in the stage floor and that the hymnals in scene four are actually French dictionaries. Inspections stop for the cast meeting as traditions are continued. Then there's a hushed auditorium, the brush of curtains, the rolling of pulleys . . . and an actor's first line.

Rousing music and

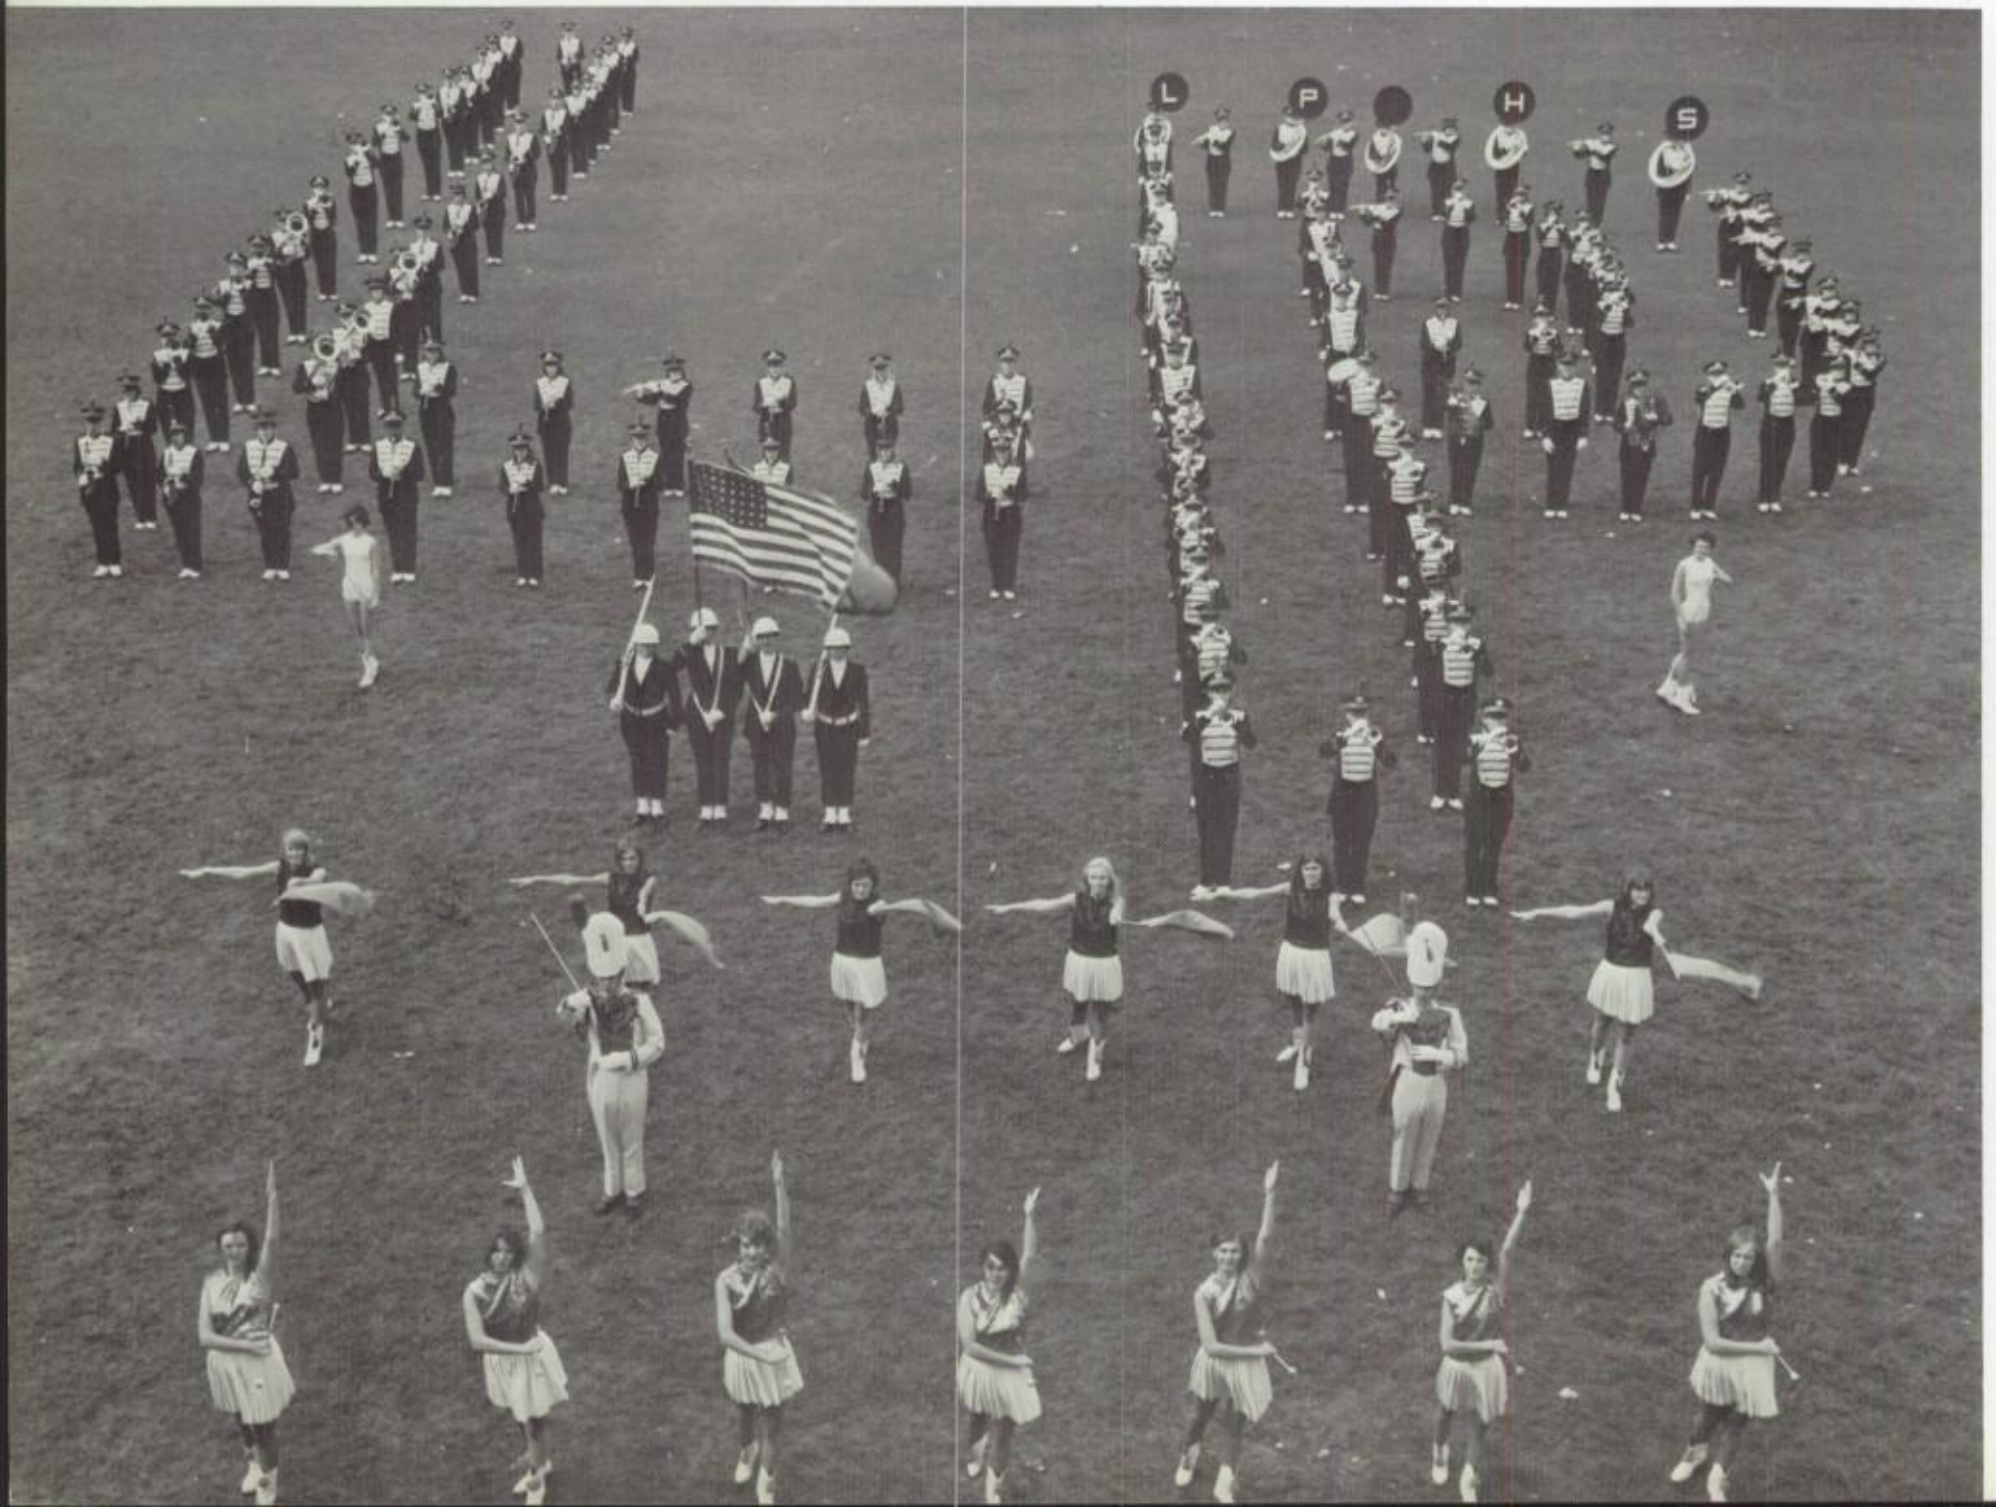

The selective 1968 baton corps consisted of M. Duda, C. Harrell, P. Holloway, K. Mueller, C. Geyer, P. Bargholz, and D. Kneisley.

The two senior soloists B. Mueller and L. Bradfield performed special duets as well as solo twirling for each home football game.

Familiar formations

This familiar formation of the LPHS marching band never fails to bring the crowd to their feet for the ole school song.

Leading the band onto the football field were D. Crow and head drum major S. Mitchell, two well qualified men for the job.

Provide fans with

Color guard members, D. Berndt, B. Tallant, M. Stimley, and S. Nye are responsible for raising the flag for each football game.

Flag twirlers this year were M. Murray, B. Williamson, G. LeResche, S. Schmitz, S. McIntyre, and L. Schmitz. Pom-poms, a 1968 first, were used alternately with the flags.

Attention . . . Forward march . . . Kick halt . . . Band at ease . . . Commands such as these are key words for the LPHS marching band. Each movement must be precise, short, and snappy to look well for the scrutinizing eyes of the halftime critics. A theme, the basis for each show, is carried out by familiar formations as a hula girl, surfer, trolley car, and a map of the United States. Songs as the "Hawaiian War Chant," "Over the Waves," "America the Beautiful," and "Our Old High" are known to all. The dedicated marching band marches through the cold, mud, wind, and drizzle to put on a halftime show for you!

The 1968 LaPorte Slicers fought to win

The 1968 Football season was one of many disgusting, and angered moments. The Slicers suffered their first losing season in the twelve long years under Coach Stan Klimczak. Despite this year's record, Coach Klimczak's overall record in twelve years as head football coach, is a very respectable 69—40—8 win-loss total. Throughout this period are Conference titles, an undefeated season, and many memories. There were many outstanding Slicers this year. These boys were honored and received awards at the Fall Sports Banquet:

Most Improved	Gene Wise
Best Defensive Back	Jon Bernacchi
Best Blocker	Scott Spahn
Best Tackler	Dave Novitske
Most Valuable	Dave Miller
Slicer Award	Mike Bechdol

The "Mighty Mosquitos", as Stan called his small but powerful Slicers, showed tough foes, such as Elkhart, just how mighty they were. LaPorte scored the most of the points scored against these State Champs. The Slicers, due to last minute plays lost to Elkhart and South Bend John Adams, two of the most trying and hard fought games of the season.

Seniors Scott Spahn and Dave Miller were members of the 1968 All Conference Team. Jim Magnuson and Dave Miller were given Honorable Mentions at State.

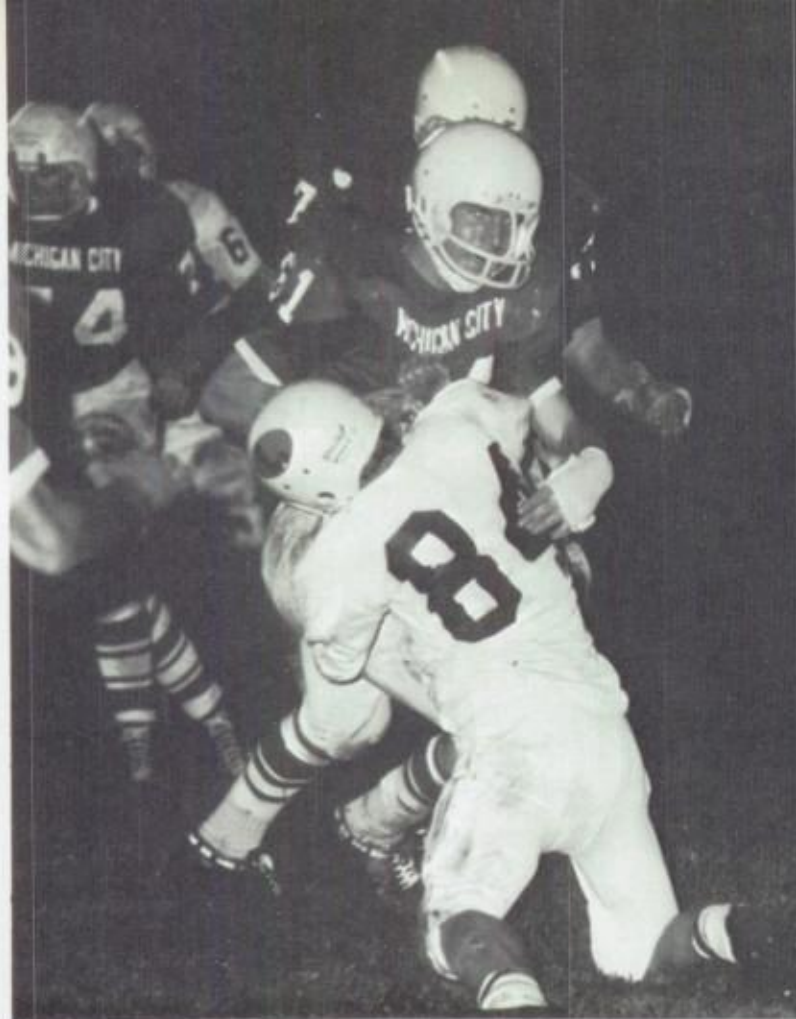

Mr. Norm Hubner, our present school Athletic Director, was Captain of the 1927 Football team. Here is a fine example of Slicer spirit, devotion, and determination. Beginning as a gridder at LaPorte, he later coached football and other sports here.

Coach Stan Klimczak confers with Dave Novitske on a defensive play.

With Junior Jim Wyczawski (84) holding back a tough Michigan City Red Devil defense, Senior Tim Bernacchi (12) is able to gain much needed yardage on this run. Both Slicers contributed much to the cause despite the heartbreaking loss.

Junior Jon Bernacchi (26) gave LaPorte a hard run on this interception from the Mishawaka Cavemen.

The "Golden Toe", Senior Scott Spahn (66), with Senior Tim Bernacchi (12) holding the ball, tries for a field goal.

A good example of a powerful Slicer defense.

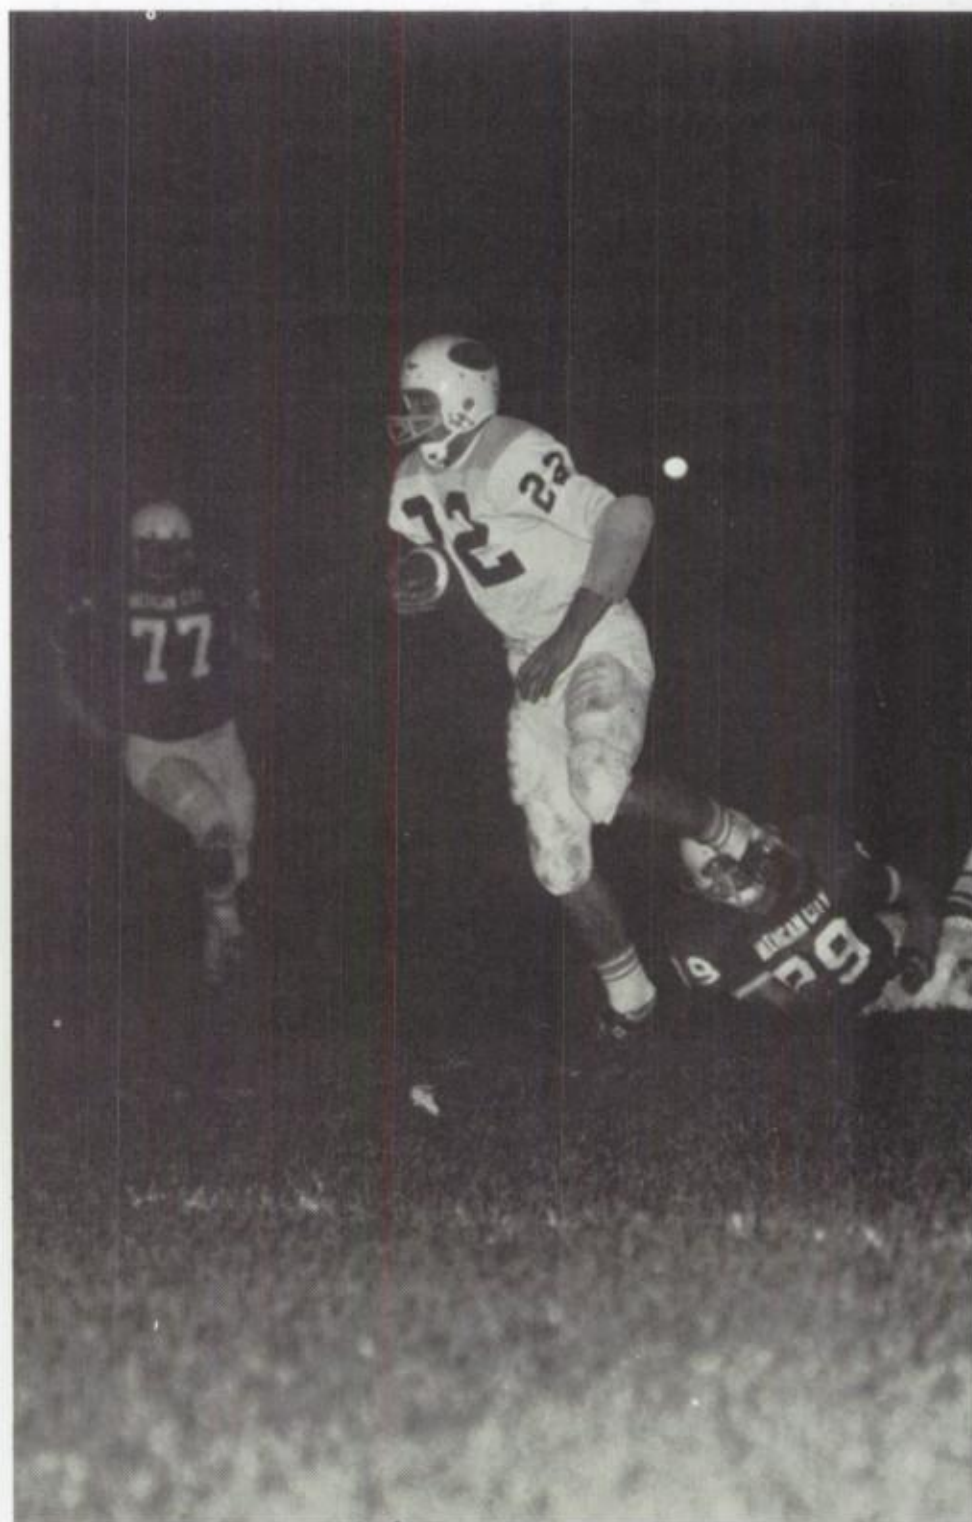

The Seniors forming the backbone of the Slicer squad were: **Row One:** Tom Palmer, Rich Hahn, Scott Spahn, Mike Archer, Dave Novitske,

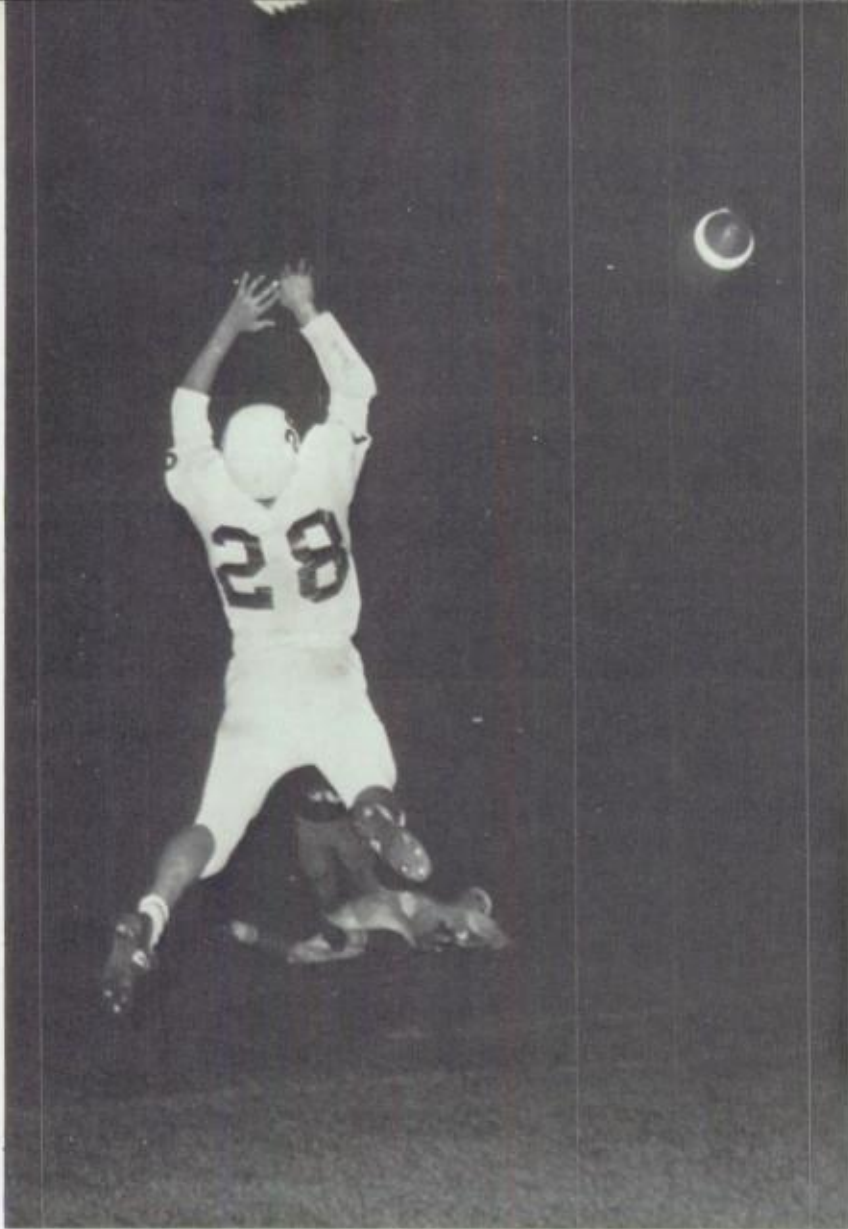

and Mike Bechdol. **Row Two:** Rich Pate, Dennis Schmidt, Larry Dunlap, Phil Gardner, Chuck Borst, and Tim Bernacchi.

Stan Klimczak will long remember the 1968 Football season, not because of the record, but because of the outstanding Senior players. Jim Magnuson, over a two year period, amassed a total of over a thousand yards gained in games. Scott Spahn, the extra points specialist, made 62 of 78 extra points. Dave Miller, despite a ruptured spleen, played the Mishawaka game. Dave scored LaPorte's only touchdown after suffering his injury. Mike Bechdol, co-captain of the team, showed the Slicer spirit despite many trying games. With the help of the Seniors Rich Hahn, Schmidty, Bubba, Dick, Onion, Flash, Arch, Buffalo Borst, and Tom Palmer, the Slicers fought several tough games.

Dave Miller (20) scored LaPorte's only touchdown against Mishawaka despite a spleen injury received early in the game.

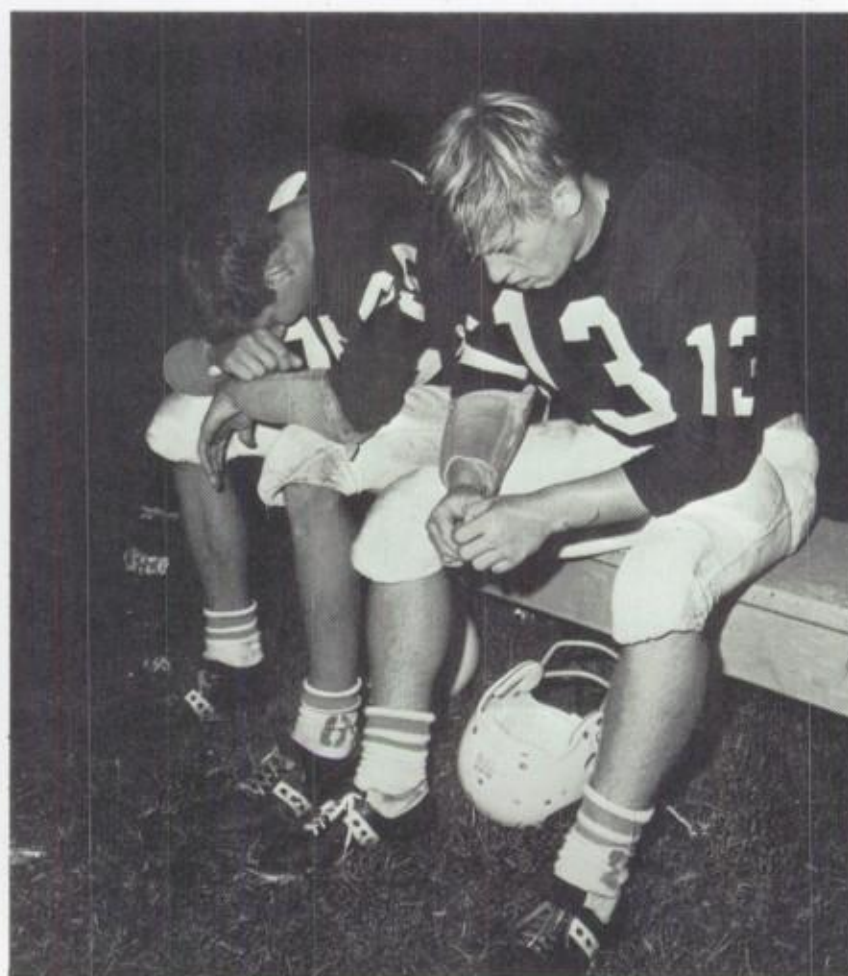

Senior Jim Magnuson (22) pours on the speed to escape the very powerful Michigan City defensive team.

Co-Capt. Mike Bechdol tries for an interception against St. Joe.

There were many happy moments during the games, but sadness dominated the season as reflected in the faces of Hoke and Bauer.

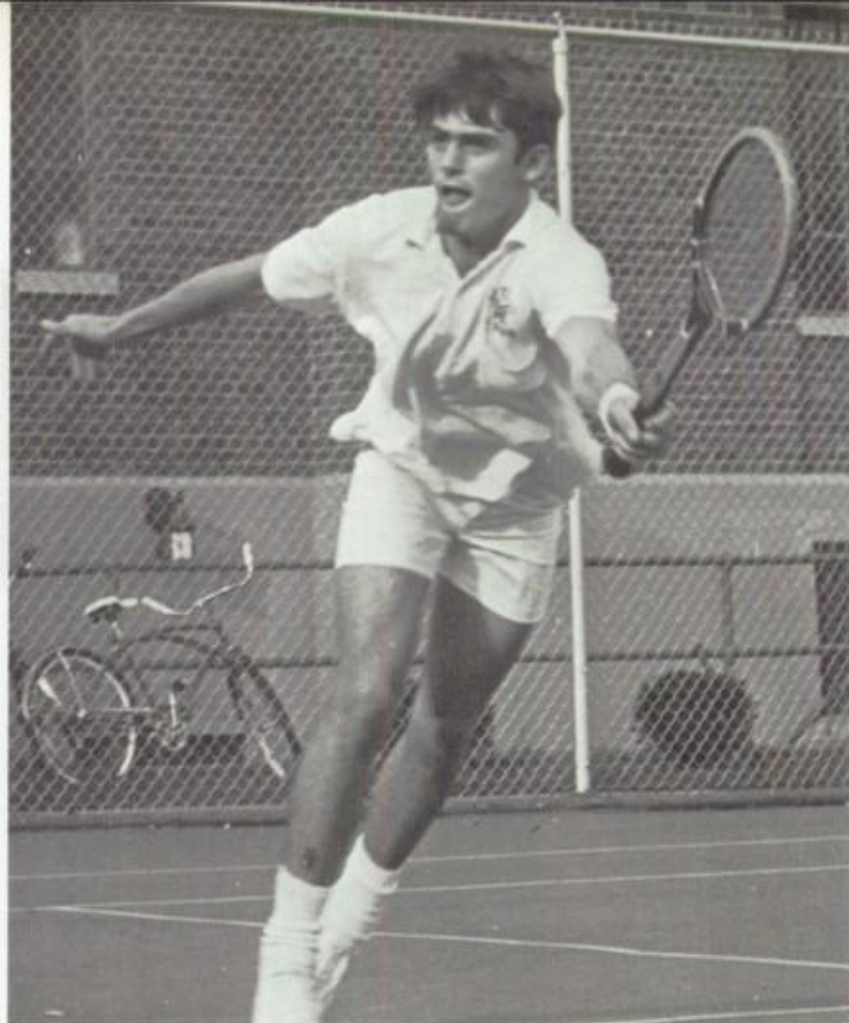

1968 LaPorte Slicers: **Row 1:** Bob Heck, Mike Shipton, Mike Binder, Jon Bernacchi, Don Laskowski, Mgr. Bruce Levandoski, Mgr. John Coddington, Steve Sharp, Dale Jankoviak, John Moulder, Bruce Belzowski, and George Avery. **Row 2:** Gene Wise, Larry Dunlap, Chuck Borst, Rich Pate, Tom Palmer, Dennis Schmidt, Co-Capt. Mike Bech-

dol, Co-Capt. Jim Magnuson, Scott Spahn, Dave Novitske, Dave Miller, Phil Gardner, Mike Archer, Tim Bernacchi, and Ed Murray. **Row 3:** Dick Strieter, Mark Chalman, Bill Konowitz, Jay Boundy, Ted Bean, Al Buckman, Rich Hahn, Ralph Buchanan, Mark Yates, Stan Klimczak, Jim Dermody, Jeff Landis, and Mark Bauer.

This year's team outstandingly reflected the Slicer go power. A large part of the credit is deserved by four four year tennis lettermen, Dan Bigg, Tom Ivey, Steve Komp, and Scott Richter. The four have built an exceptional record including winning the last 28 straight matches and a 41—1 four year record in dual meets. In addition, they were members of the team winning the conference championship in '65, '67, '68. Ivey was named the most improved player and Bigg the most valuable for this season.

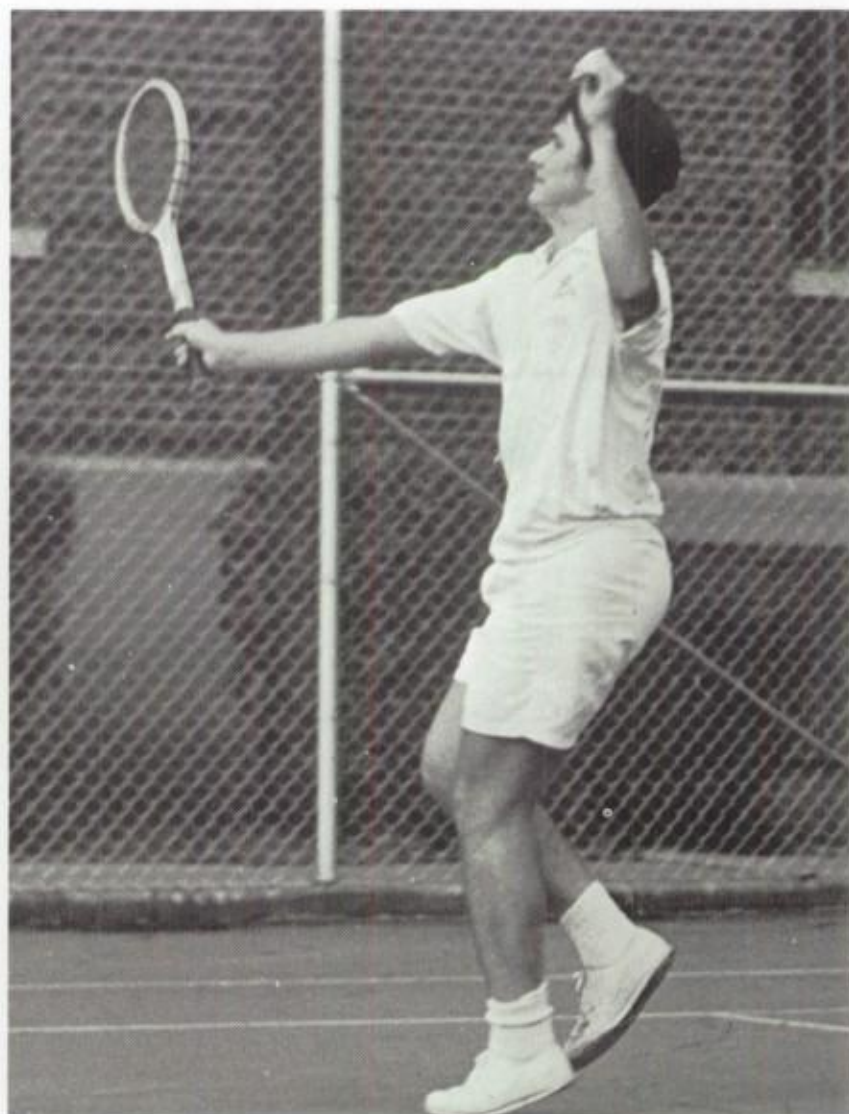

Even though these four netters are graduating, Coach Robert LeRoy feels there are very promising tennis players to take their places, among them, Brian Graham, sophomore and Jim Samson, freshman.

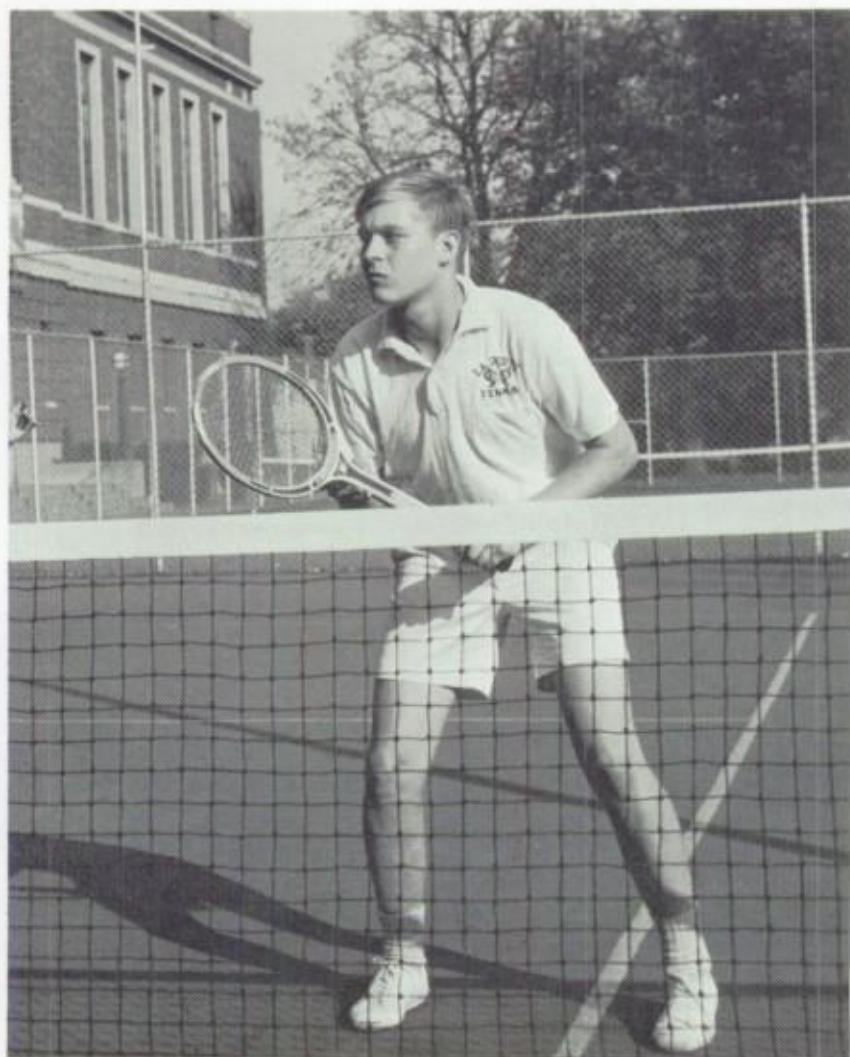

Tom Ivey net second place at the Lafayette Doubles Tourney.

The 1968 Netters cop state championship

Dan Bigg clinched the state finals for LaPorte by capturing the singles championship played at Indianapolis.

Steve Komp was one half of the LaPorte doubles team that placed third at state finals this season.

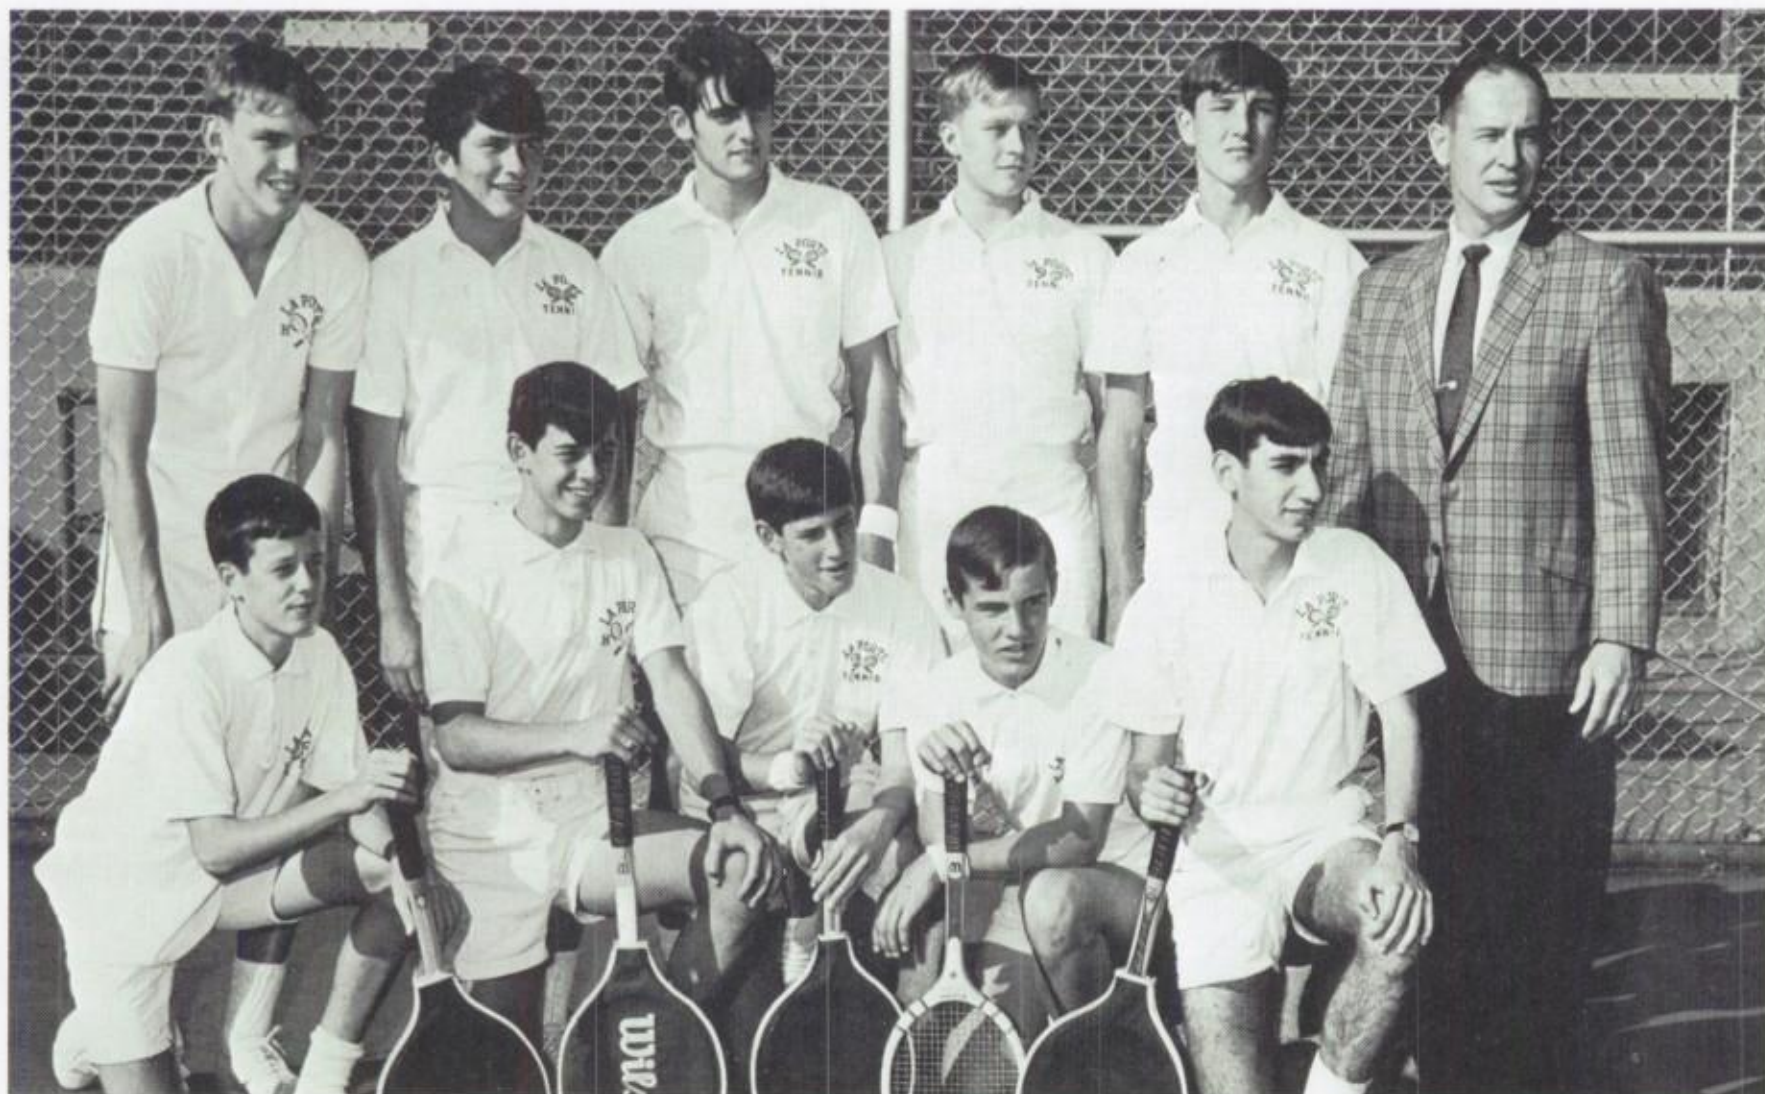

Scott Richter provided the other half of the doubles team.

Harriers defeat tough Conference foes

The 1968 Cross Country team, although losing many running meets, defeated some of the toughest competitors in the Conference. Running over Washington with a 21—38 victory, the Harriers then went on to smash Central with a 28 point margin.

The Slicers tied for fifth place in the NIHS Conference with a 3—5 win-loss record. The Slicers took seventh place in the IHSAA Sectional.

Players honored at the Fall Sports Banquet were:

Slicer Harriers rose one place in Conference ratings and many places in "spirit". This year's team consisted of: **Row 1:** Jim Petrila, John Sharp, Mike Russ, Dan Makina, Capt. Jim Russ, Mark Trusty, Dave

Wedow, Rick Simi, Dave McGarvey **Row 2:** Pete Magnuson, Mike Sabones, George Stevenson, Dennis Kas, Art Coddington, John Curry, Dennis Tarr, Greg Anderson, Hugh Tonagel, Mike Rehlander.

Varsity Cheerleaders: **Sitting:** Deb Cogan. **Middle:** Paula Lazarek, Kathy Masterson, Capt. Dar Davis, Gloria Oakes. **Top:** Judy Moore, all very hardworking.

Cheerleaders have always played an important part in school spirit. They urge the team on to victory, teach Pepper Club cheers, and plaster the school, the Civic and Kiwanis locker rooms with signs of encouragement.

This year the Varsity cheerleaders were particularly active. Their attendance at home and away games during both football and basketball was almost 100%. They also assisted with the new and spirited Pom Pon Girls besides developing eleven new cheers.

Ingenuity and skill at developing and executing cheers won the Varsity squad the Grand Champion Trophy with five blue ribbons and one red ribbon at the 1968 Vincennes Cheerleaders' Workshop.

Both Reserve and Varsity Cheerleaders were sponsored by Mrs. Marcia Hartz. Few similarities between the two squads extend beyond this. The Reserves were hardworking members of the Pep Committee. They were allowed to use Varsity cheers, but had to develop their own motions to these cheers. The squad also developed some cheers of their own.

Reserves: **Sitting:** Chris Heatherson, Cathy Heatherson. **Standing:** Marti Forzt, Capt. Cathy Holdson, Josie Samford, Meri Okrzesik.

Slicer cheerleaders are mirror of change

1948 Cheerleaders: Far Left: Lana Moretti—Mrs. Heatherson.

Miss Lena Moretti, bouncy cheerleader of 1948, is today the mother of Reserve cheerleaders Chris and Cathy Heatherson. Mother and daughters do "not" agree on the proper method of cheering. In 1948 the tempo was much faster with more arm movement. Male cheerleaders did the difficult acrobatics, while the girls jumped around. School spirit was as great as it is now, with half the student body we now have. Still, we have "The Fight Song," introduced by these cheerleaders.

The 1943-44 LaPorte Slicers were probably the best basketball team in LPHS history. Coach Norm Hubner's roundballers won Sectional and Regional championships and Semi-state honors. Senior Zyg (Hap) Belzowski (23) was awarded All State Basketball player of 1944. Belzowski received a special plaque this year honoring the members of the 1943-44 Silver Anniversary team. Coach Hubner's spirited Slicers finished their season with an impressive record and a Semi-state championship.

The LaPorte Slicers finished the 1968-69 season with an impressive 12—10 record. LaPorte tied for fourth place in Conference and won the first game of the Sectionals played at Michigan City.

LaPorte, during two bouts with City, came within seven points of winning both games.

The Slicers played one of the best seasons in twelve years. The team was dominated mainly by Seniors who had played under Coach Ken Plantz for three years.

Reserve Coach John Kunze's prospective Reserve squad finished their season with a 10—10 record.

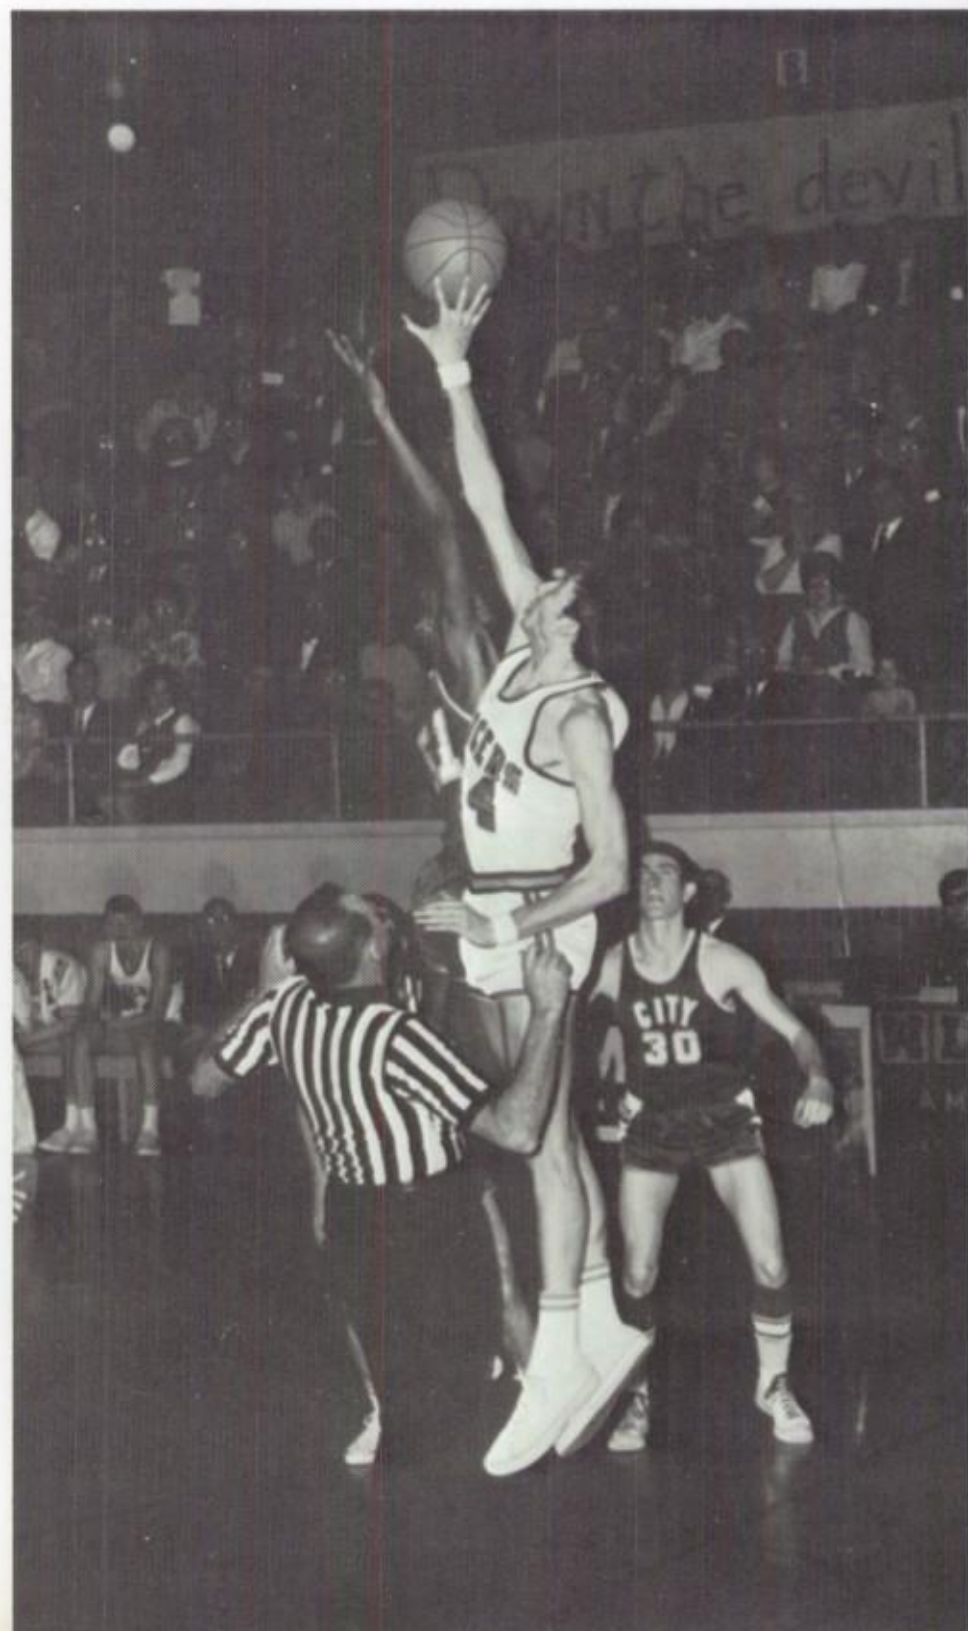

Players honored at the Sports Banquet were:

The Slicers long time rivals of Michigan City worked fiercely to beat the Devils, but will have to wait for another season to do so.

Roundballers fight long and hard season

Junior Jim Dermody (24), one of LaPorte's high scorers, shoots for a two pointer against the Penn Kingsmen. Dermody should prove to be an invaluable member of next season's team.

Senior Larry Dunlap tries to block the shot of a City foe.

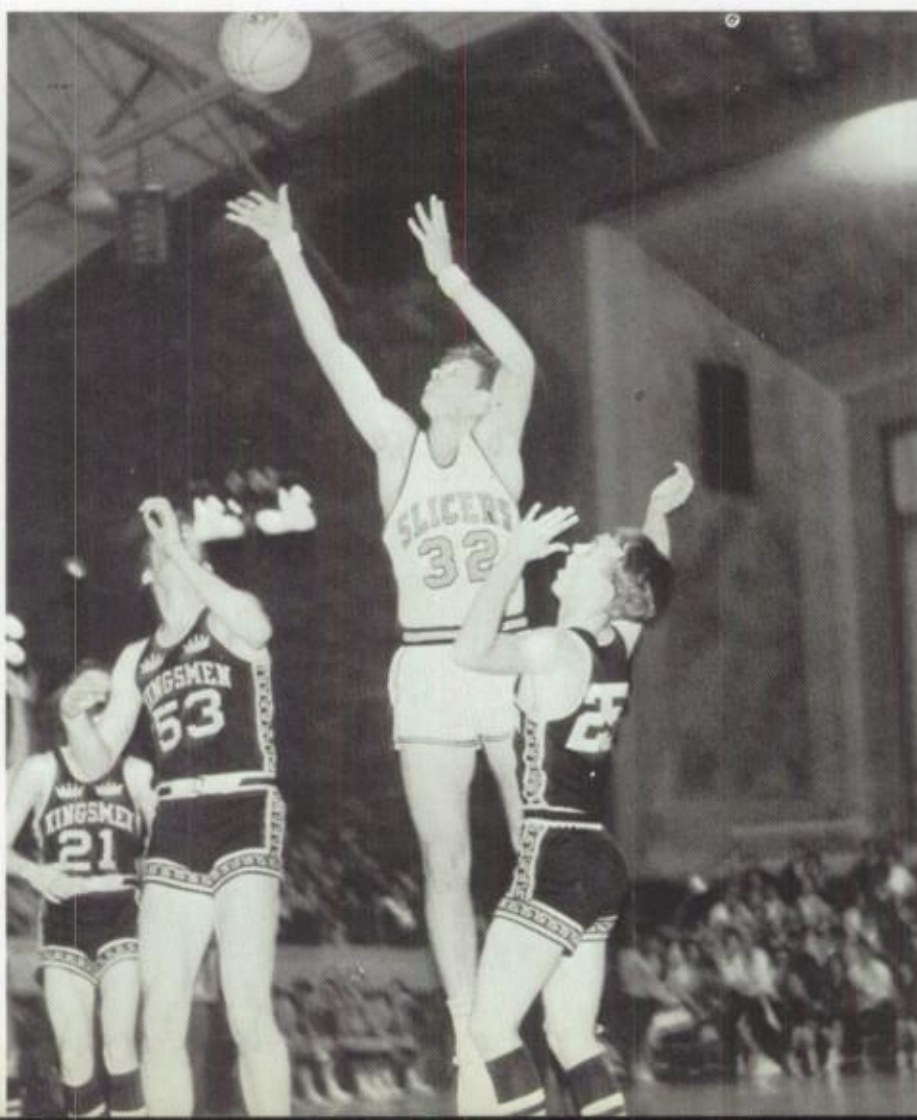

Reserves: Row 1: Mgr. Ken Bradburn, Mgr. Mike Ohime, Row 2: Tim Rempala, Dean Krueger, Dave McGarvey, Bob Heck, Dale Jankoviak, Rick Bauer, Steve Hines. Row 3: Chuck Riley, Mark Bauer, Mark Yates, Dave Porter, Mark Reed, Wayne Rosentrater, Ted Bean, Rich Jahns.

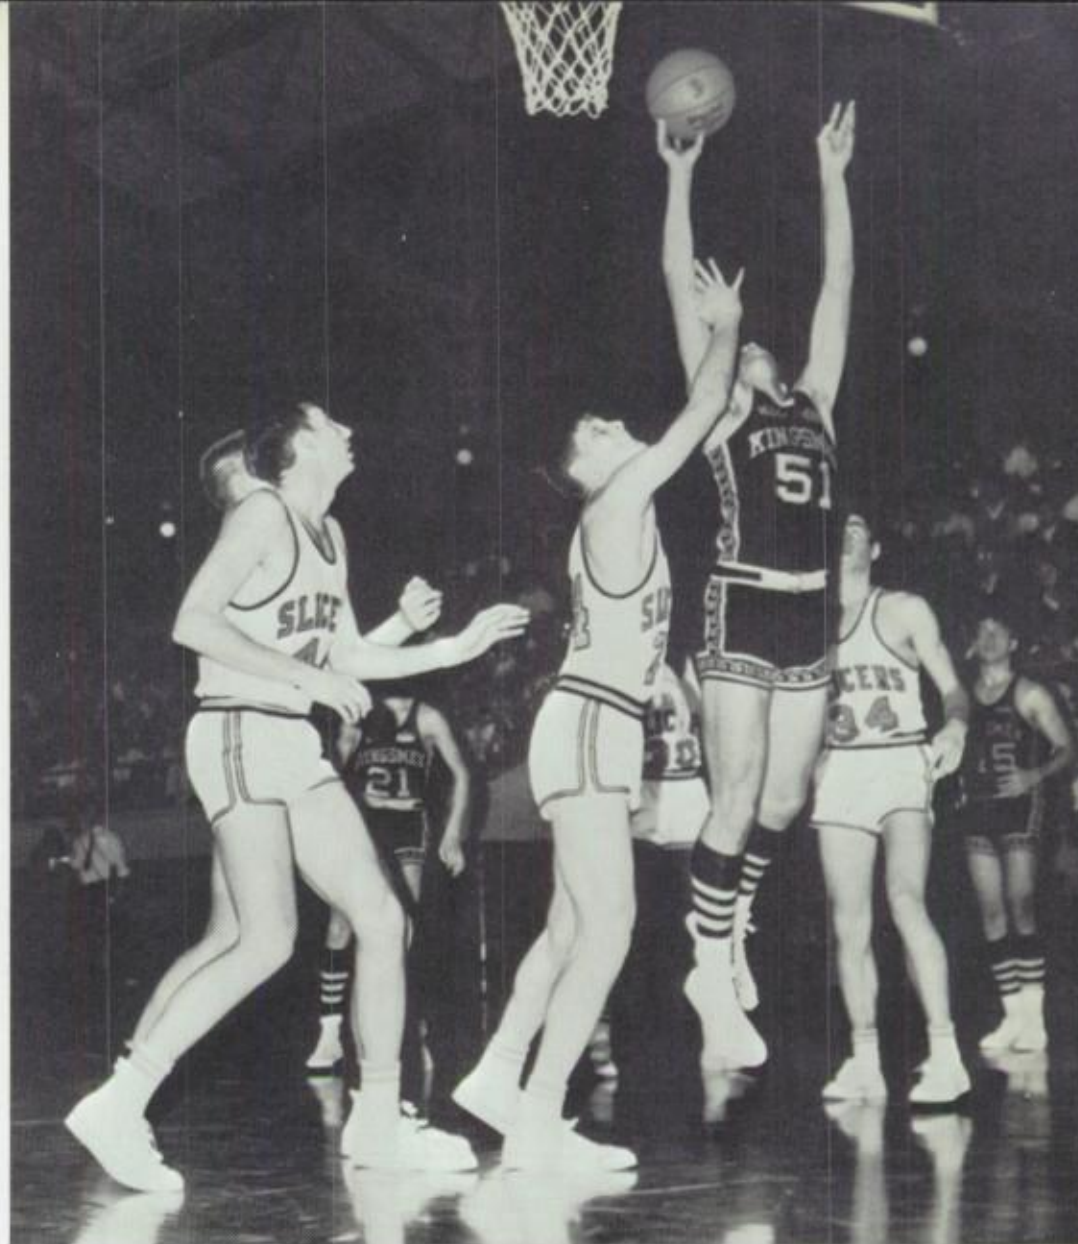

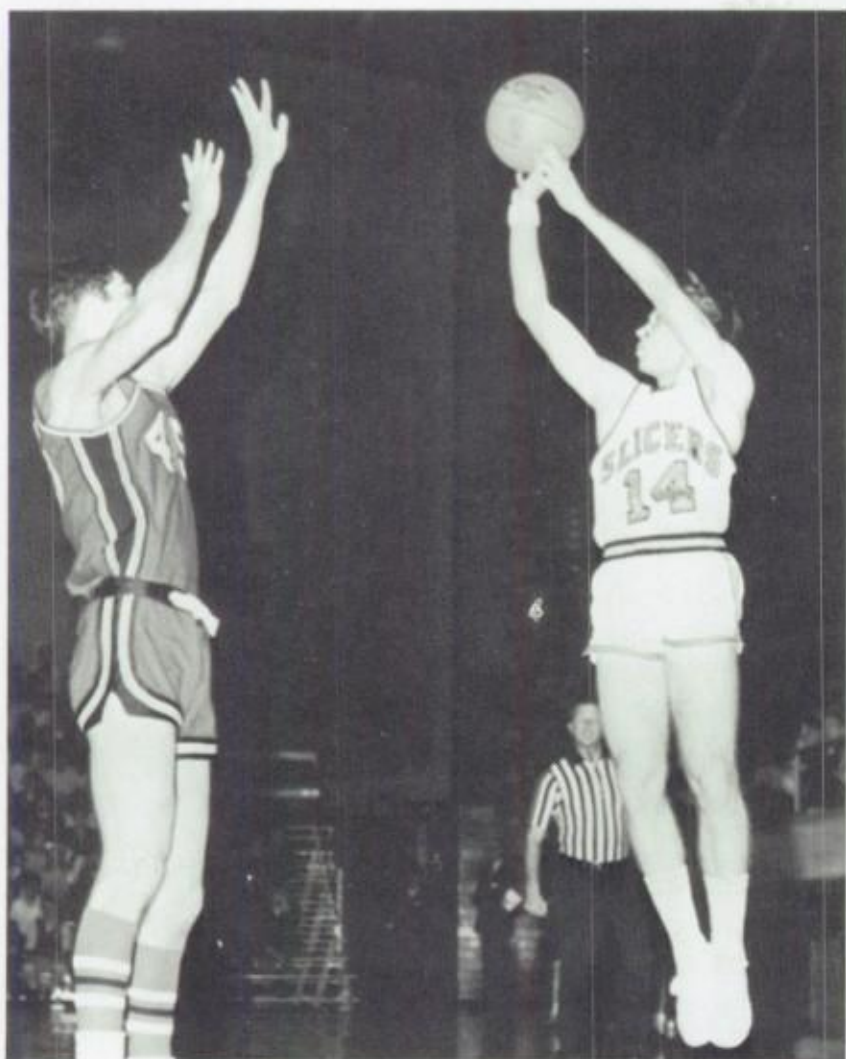

Senior Hugh Tonagel (34) goes for a lay-up, much against the wishes of the City defender. Tonagel was LaPorte's second highest scorer and winner of the Kaminski Free Throw Award at the Sports Banquet.

Senior Tom Richards (32) puts his two-pointer in against Penn.

Small but mighty Junior Bruce Belzowski (14) tries for two.

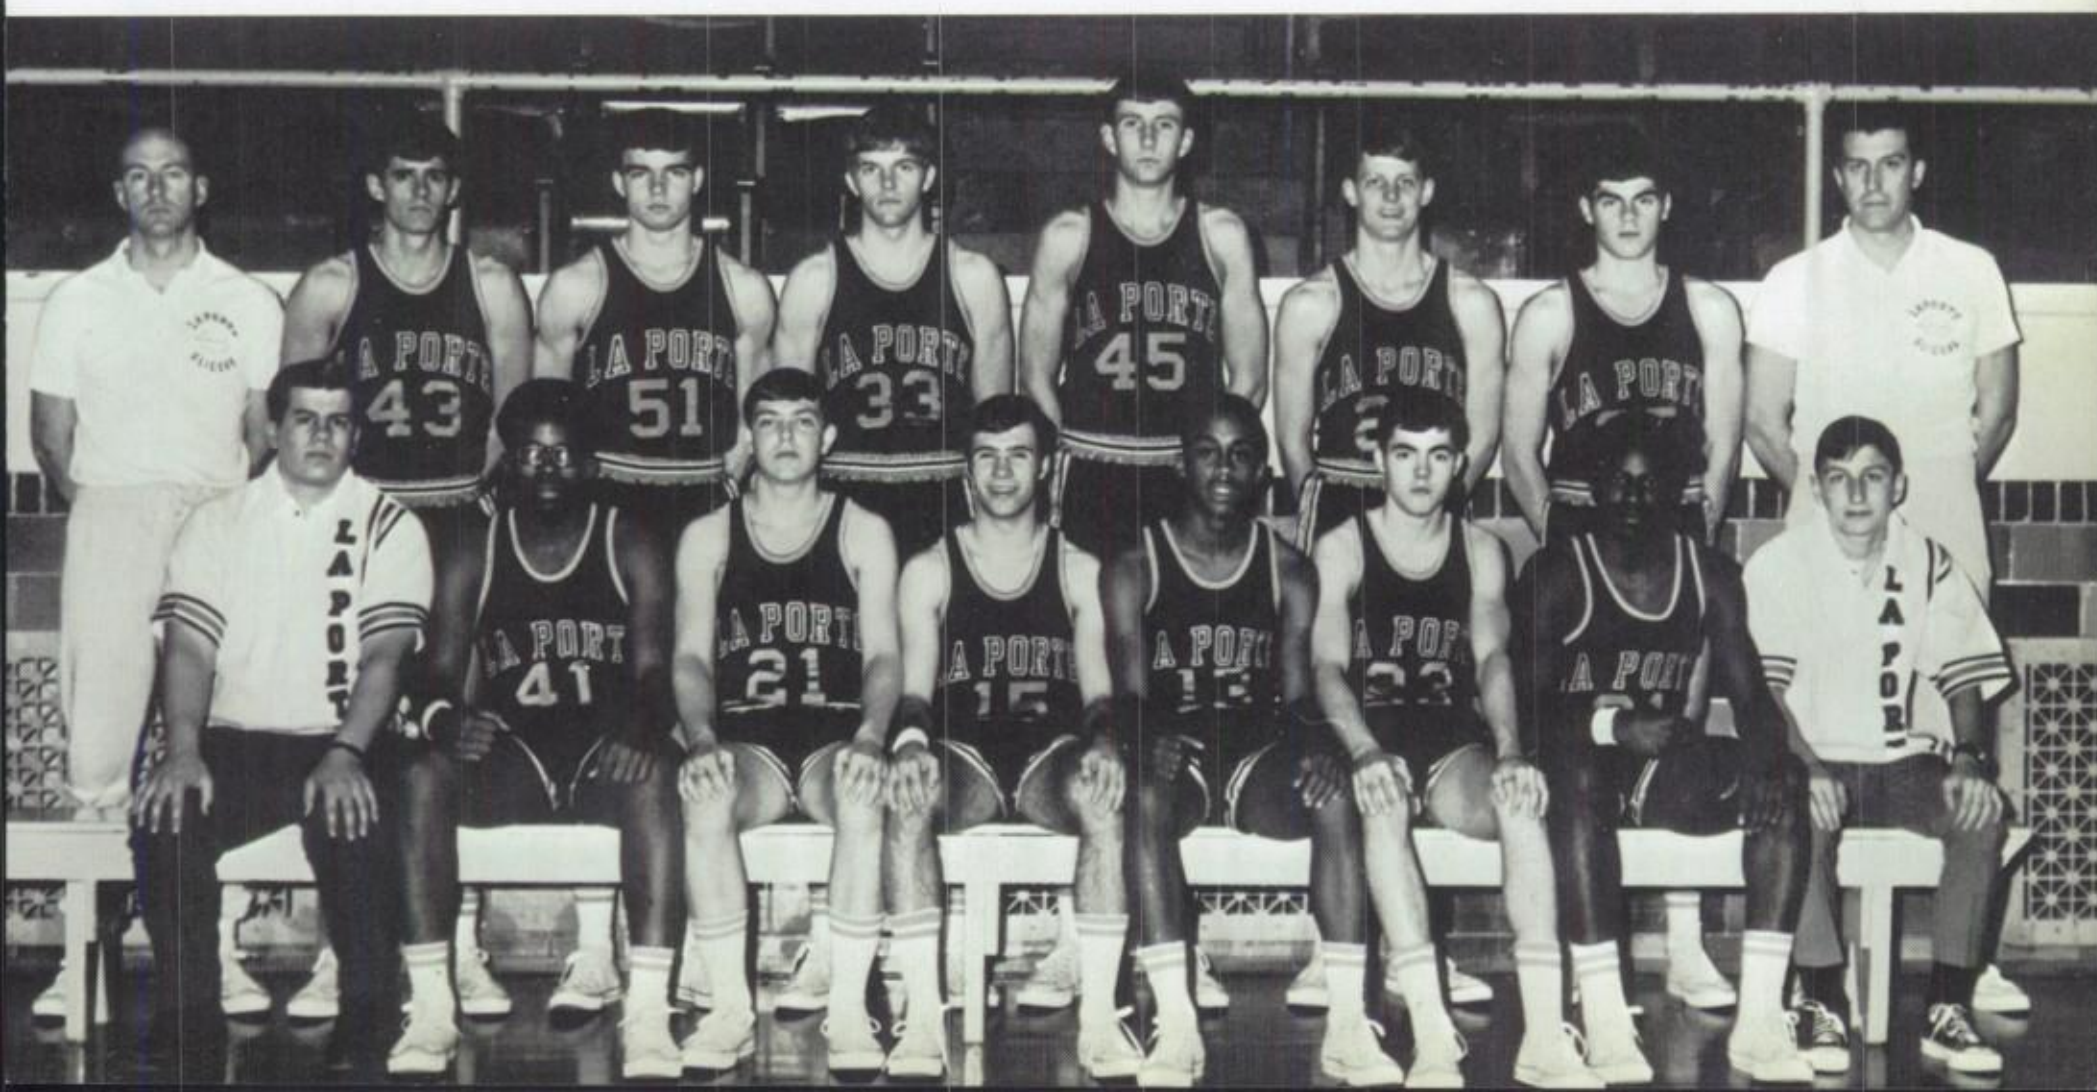

The Slicers played many close games throughout the season. This strong defense was just a part of the rugged Slicers.

Senior Slicers dominate basketball season

The Roundballers had a good season this year by fighting both long and hard. Members of the varsity basketball squad were: **Row One:** Mgr. George Mueller, Ralph Buchanan, Roger Lowe, Bruce Belzowski,

Greg Anderson, Jeff Landis, Larry Dunlap, Mgr. Mark Trusty. **Row Two:** Coach Ken Plantz, Dean Heise, Dave Miller, Tom Richards, Tom Jahns, Jim Dermody, Hugh Tonagel, Coach Mike Barthel.

Slicer Grapplers gaining in popularity

Wrestling is a kind of "mind over matter" sport. It takes great concentration and plenty of muscle to defeat an equally determined opponent.

At L.P.H.S. wrestling has been around for a number of years, but has never captivated large crowds. However, in recent years wrestling has become a popular sport and is becoming a crowd pleaser.

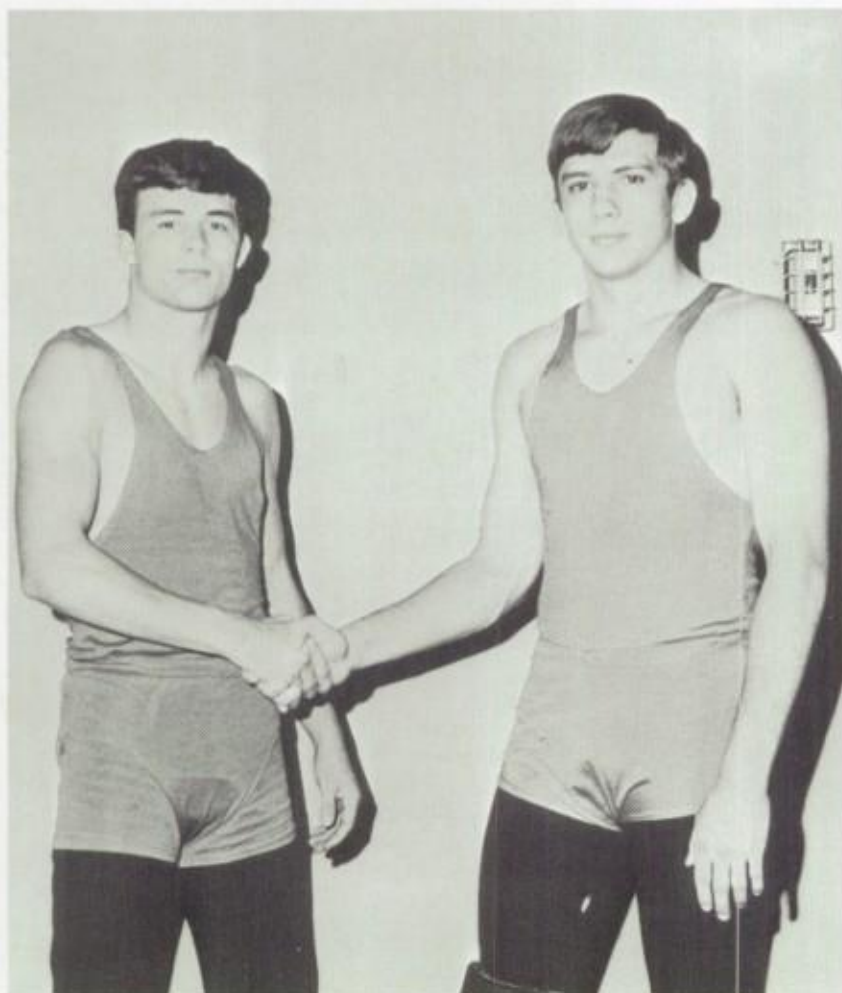

Coach Larry McKeever in his second year as head coach has compiled an 11-10-1 win-loss record. His 1968-69 Grapplers tallied a respectable 5-8 win-loss record.

There were many outstanding wrestlers this season. Senior Tom O'Neal, the wrestling spark plug, went farthest in team and championship competition. O'Neal had a 20-3 season record and won first place in both Conference and IHSSA Sectionals. Seniors Mike Bechdol and Dewey Brown raised their career wins to 28 and 20 respectively. Bechdol finished with an 18-7 season record, third place in Conference, and first place in the Sectional. In his first year, Glen Johnson, with a 16-5 record and second place in the Sectionals helped the Slicers during their season.

Wrestlers honored at the Sports Banquet were:

Most Valuable	Tom O'Neal
Most Improved	Mike Bechdol
Dr. Farnsworth	Tom O'Neal

Co-captains Jon Bernacchi and Mike Bechdol shake at the conclusion of a good season while knowing next year to be very promising.

Dewey Brown's will power and determination tallied him a 10-8-1 record, placed him second in Conference, and fourth in Sectional.

Gritting his teeth sophomore Jim Wade exhibits the drive that gained him a spot on the varsity squad.

Senior Swimming Captain Rich Turk, a three year letterman, helped give the spark needed to win the Sectionals.

Limber Sophomore diver Jim Murray shows the form which won many first places in diving competition.

Senior John Yates proved to be a great asset to the swim team.

LaPorte's 1968-69 swim team won its own Sectionals for the second time in two years, aided by the Clock-stoppers who efficiently helped to run the meets and boosted morale through the **Dog Paddle**, the tanker's newspaper, and their own enthusiasm.

Coach Norm Tonsoni praised his Slicer tankmen at the Winter Sports Banquet for another outstanding season. Coach Tonsoni commended such standouts as Tom Larson, John Yates, John Snyder, Jim Murray, Mike Schell, and Greg Rucker, just to name a few, for their hard work and desire to compete with success.

Tankmen honored at the Winter Sports Banquet were:

Greg Rucker. Row Three: Brad Keller, Rich Games, Jim Dodd, John Yates, John Snyder, Dave Legner, Steve Mitchell, Mike Schell, Mel Kovenz.

Ken Schreiber finished his tenth campaign this year as head coach of the LaPorte Slicers Baseball team. Coach Schreiber was pleased with the overall performance of his 1969 team.

Schreiber's first concern was pitching. Rick Slater, a pitcher for the first time in his career, gave the Slicers all he had which resulted in a 9-4 record. The number two pitcher, Senior Bob Mrozinski did some pitching, but played second base most of the season. Junior Garry (Burr) Lenard was the number three man and a promising pitcher for next season. Sophomores Jay Boundy and Tom Meyers and Senior Dean Heise saw limited action but were always ready to pitch.

Senior Capt. Mike Archer was catcher, probably the finest in the league. Mike also claimed the highest batting average on the team. Juniors Jim Dermody at first base, George Avery as short stop, and Mike Binder at third base played fine baseball at these positions. Each will be a returning letterman next season.

The outfield was comprised of Sophomore left fielder Jeff Hubner, Senior Scott Spahn, and Junior Bruce Belzowski sharing the center field spot, and Sophomore Mark Yates in right field. Other players were Juniors Greg Anderson, Rick Werner, and Don Laskowski, Sophomore Paul Severs, and Freshman Dennis Mantick.

Mr. Schreiber hopes for a better season in 1970 and is pleased with the number of returning lettermen. Among the outstanding players honored at the Spring Sports Banquet were:

Lee Fuller Award
Old Timers Most Valuable Player

1970 Capt.-elect

Slicers finish tough season in good shape

Coach Ken Schreiber experienced both the suffering and joy of baseball this year. As professional baseball celebrated its one hundredth birthday, Schreiber finished his tenth season with a 20-11-1 record. Coach Schreiber was pleased with this year's performance and is looking forward to next year.

Senior Capt. Mike Archer finished his high school career with the highest batting average of the '69 campaign. Here he is just rounding third base running home to score on a home run.

Junior Mike Binder led the Slicers in home runs and was a good third baseman despite physical injuries received during the season.

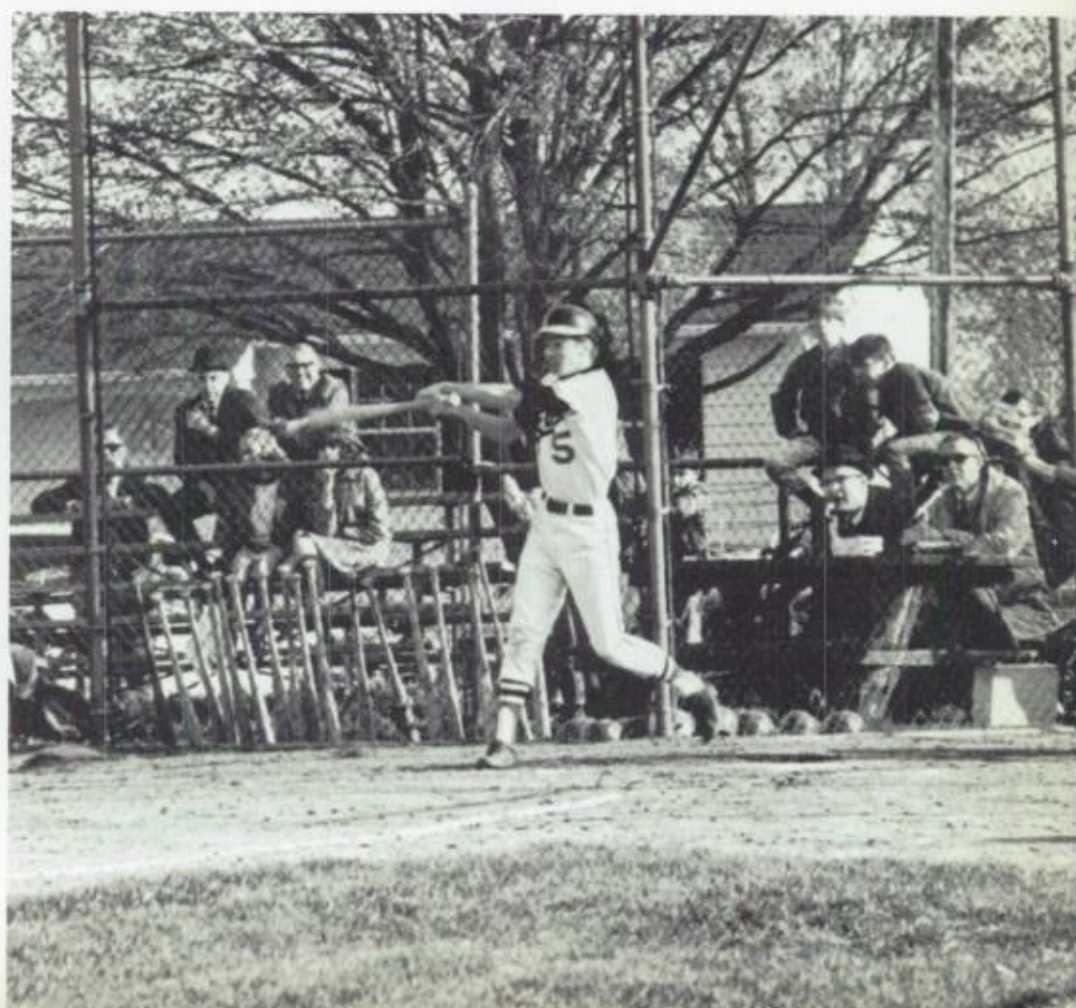

Junior George Avery played shortstop for the Slicers and helped the Slicers with his clutch hitting.

Bruce Belzowski was Coach Schreiber's quickest ball player.

Senior Rick Slater pitched baseball for the first time in his career and finished the season with a 9—4 record.

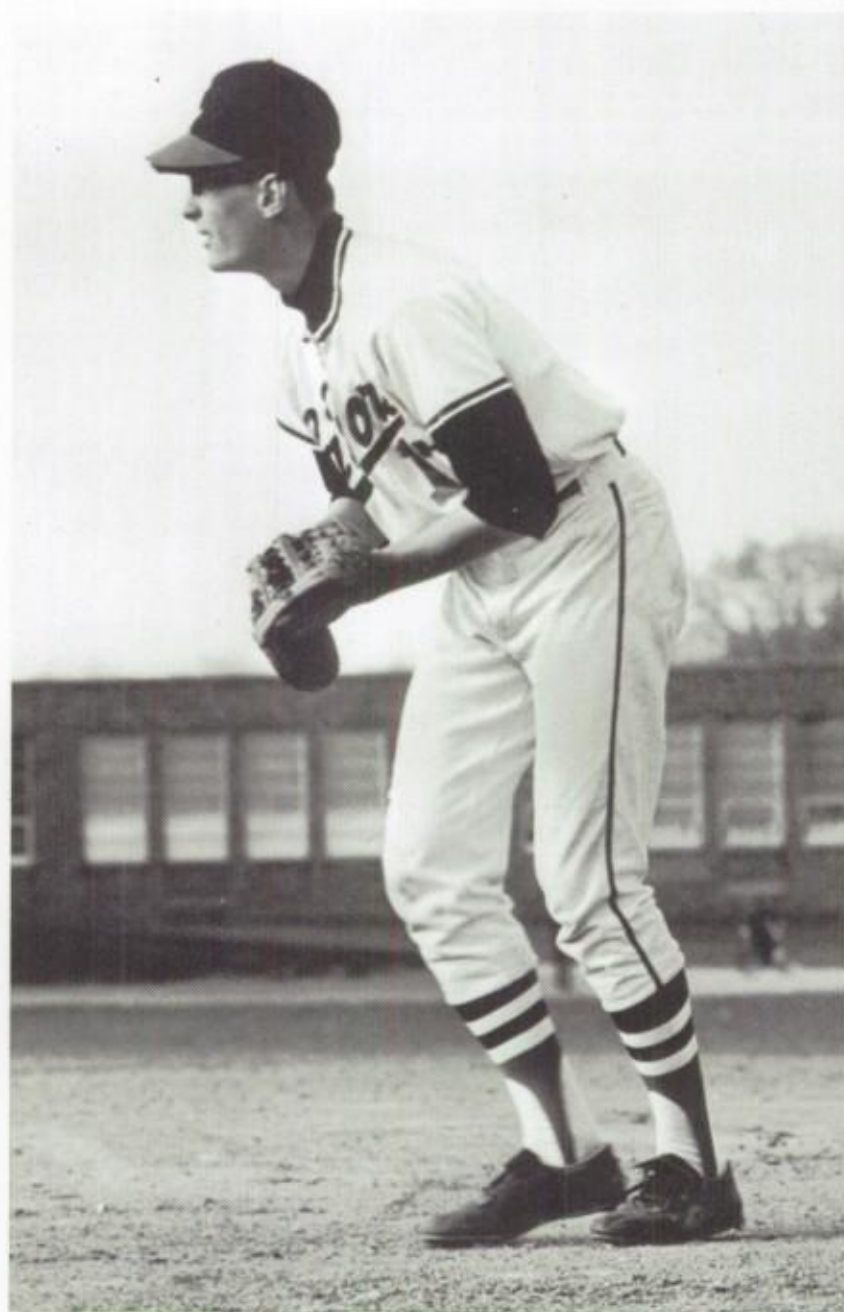

Sophomore Jeff Hubner was one of Schreiber's best outfielders. He was also respected by visiting pitchers for his wicked bat.

Tracksters have an outstanding season

Coach Dick Deardurff was a very happy man after the 1969 Track season. It was his ninth year as head man and probably his greatest year. The LaPorte Trackmen finished the season with an 8—1 dual meet record, a Sectional championship, a first place winner in the Regionals, and a fourth place in the State finals.

This year's team was headed by tri-captains who led the Thinlies to seven victories in a row before suffering their only defeat to Conference champion Elkhart. Coach Deardurff was pleased with this year's performance and hopes for another fine season in 1970. Mr. Deardurff's hardest job will be finding replacements for outstanding graduating seniors such as Jim Magnuson running the 100 and 220; Dave Miller, high and low hurdling; Bill Boklund, high and low hurdling; Ted Warner, hurdling and pole vaulting; Hugh Tonagel, pole vaulting; Jim Russ running the 2 mile relay; Mike Rehlander running the 440; Mike Sabones running the 880; Greg Rucker, a sprinter; and Tom O'Neil, long jumping.

At the Spring Sports Banquet Mr. Deardurff paid great honor to all the boys who ran under him.

The Track team, in appreciation of this remarkable work, awarded him with a rocking chair. Mr. Plantz also received an award from the boys.

Trackmen awarded at the Spring Sports Banquet were:

Regnier Award

Van Wagner Most Valuable Award

WLOI Award

Tri-captains Award

1970 Capt.-elect

Mike Sabones

Jim Magnuson

This season's trackmen were under the leadership of tri-captains Jim Magnuson, sprinter, Dave Miller, high hurdler, and Bill Boklund, low hurdler. With the spirit and determination of these boys and the rest of the trackmen, the Slicers won many dual meets.

Coach Dick Deardurff, a past Slicer himself, along with assistant coach Ken Plantz, moved their tracksters along to take second place in the Northern Indiana Conference.

Sophomore Phil Droege proved to be a valuable runner this year in the 100 and 220 yard dash, and the half mile relay.

Junior Gene Wise, Captain Elect of 1970, was the number one long jumper this season. In addition, he sometimes ran distances. He will be a welcome member of Mr. Deardruff's team next year.

Senior Ted Warner, a very versatile boy, is making the high jump in this shot. He also did very well as a hurdler until he pulled a leg muscle near the season's end.

Hugh Tonagel, a boy on his way up in the world.

Golfers capture Regional Meet

Capt. Greg Mannia carefully follows the path of his ball.

Golf Coach Bob Hoke will be looking for two outstanding boys next season to take the places of Rick Suitor and Rick Hahn. The entire 1969 Golf team will be a tough one to replace. The Slicers captured first place honors in the LaPorte Invitational, Sectional, and Regional. LaPorte's Golf team then went to the State Finals for the third consecutive year. Senior Rick Suitor made his fourth consecutive trip to Indianapolis. Suitor, in the Regional, received Medalist's honors by defeating his teammate Gerry Garwood. Both Suitor and Hahn have been fine four-year lettermen.

Mr. Hoke has compiled an impressive record as head Golf coach at LaPorte. The Golf team won the State championship in 1960 and has been runnerup three times during Coach Hoke's tenure. Besides winning both Sectionals and Regionals this year, the team set a new LaPorte Invitational record of 299 strokes on an average of 74 strokes per man.

Mr. Hoke looks forward to another great season with the aid of his unbeaten returning Reserve squad and promising returning lettermen.

Many of the golfers were honored at the Spring Sports Banquet and those winning special awards were:

Butch Uebele Award
Most Valuable Golf Award
Captains Award

Intramural reached large and varied group

The Intramural sports program offers "everyone" an opportunity to play. Participants are given equal chances to take part, while learning sportsmanship, competition, and enjoying themselves.

Until 1961, no organized Boys Intramural was in operation. Mr. George Allessee, Jr., a Social Studies teacher at LPHS, started the first Boys Intramural basketball and softball teams.

Over the years, nearly 1,500 boys have participated in the Intramural program with an average of twenty-two teams a year. At the conclusion of the Basketball season, Junior and Senior participants vote for the winner of the Mr. Intramural Award. This honor is given to the outstanding Senior boy involved in the Intramural program, in memory of George Allessee III who was killed in an automobile accident in 1964.

Winners of this award have been:

Bruce Klonowski	1965
Bob Pike	1966
Ron Shelton	1967
Tom Craft	1968
Barry Zeese	1969

For the first time, girls were able to take part in the Intramural program. Their organization was patterned after the Boys Intramural, but offered more sports, including basketball, volleyball, softball without a tourney, and Powder Puff football.

There were thirteen basketball teams combined with no class distinction, and a total of twenty volleyball teams. Mrs. Marcia Hartz, sponsor, is considering the possibly of a Miss Intramural next year, among other expansions in the organization.

The Girls Intramural volleyball championship playoff was a hot contest between two good teams.

Homecoming Queen Kathy Masterson presents the trophy to the Senior A-flight (the strongest members of the top division) basket-

ball champs: Kenny Stevens, Ullysses Bell, Bob Evans, Capt. Jim Lipscomb, Ron Cobb, Eugene Wise, AFS student Cab King.

Barry Zeese proudly accepts the Mr. Intramural Award from Mr. Allessee as the other award contenders look on.

Even these triumphant teachers had a chance to play. Row One: Jim Reed, Jack Beck, Ken Schrieber, Bill Hannah, Bob Hoke, Larry

McKeever. Row Two: Dick Dearduff, Jim Sweeney, Tom Grosser, Bill Phillips, John Kunze, Bernie Lauffman, Bob LeRoy.

The will to win of Intramural softball players was almost unbelievable at moments.

Glad You Didn't Drop Out?

A diploma looks nice in a scrapbook, but don't expect to impress a lot of people with it. One thing you can bank on . . . it's not a passport to an easy life. It is proof, however, that you have perseverance which, when added to your fine qualities and capabilities, will pay off for you throughout your lifetime.

It is our wish that graduation will not be the end, but the beginning of your quest for knowledge . . . the real key to a happy, fruitful life.

La Porte High School is like a huge pool that reflects the lives and events of each student that has passed through its halls. It is an ever-widening circle of people and activities that shape and influence those who are yet to come. LPHS holds a different meaning for every student that crowds the corridors. Seniors long for an end to their high school career and dream of the opportunities that await them in college or in their chosen vocation. Juniors busy themselves with the Prom and stacks of schoolwork, dreaming of the day when they will be upper classmen. Sophomores are beginning their high school career and are eager to become an active part of La Porte High School.

For this, our 100th graduating class, perhaps memories mean a little something special. All year, we've tried to reflect on how our school has grown and changed. We, as co-editors of the 1969 El Pe, have made an extra effort to look back and draw some special reflections from La Porte High School's pool of memories. With the help of a hard-working staff and our ambitious advisor, we have presented here reflections of this past year—not only this year and the people of LPHS 1969, but a reflection of years gone by and the lives of men who have come before and are as much a part of LPHS as we ourselves are and always will be.
